ENGINEERING DEPARTMENT.

BANGALORE DIVISION.

Abstract Notification dated 10th February 1940.

The attention of the public is hereby invited to the detailed notification, inviting sealed tenders for restoring and improving Bettahalli Urumundinakere, Register No. 107, Kudur Hobli, Magadi Taluk, published in pages 358-360 of Part VI of the *Mysore Gazette*, dated 15th February 1940.

The last date for the receipt of the tender is 2 P.M. on 4th March 1940. Duplicate challan for having credited the deposit money of Rs. 200 into the Treasury under 17 (*a*) P.W. Deposits should accompany each tender.

N. LAKSHMINARASIMHAIYA,
Executive Engineer.

BUILDINGS DIVISION, BANGALORE.

Abstract Notification dated 13th February 1940.

The attention of the public is hereby invited to the detailed notification, calling for tenders for constructing New Research Laboratory in the Serum Institute, Hebbal, Bangalore, published in pages 361-363, Part VI of the *Mysore Gazette*, dated 15th February 1940. The last date for receipt of tenders is 2nd March 1940.

Abstract Notification dated 12th February 1940.

The attention of the public is invited to the notification, calling for tenders for constructing a block of buildings in front of the existing blocks of the Middle School at Malleswaram, Bangalore City, on pages 363-365 of Part VI of the *Mysore Gazette*, dated 15th February 1940. The last date for receiving tenders is 8th March 1940.

M. K. RAJAM IYENGAR,
Executive Engineer.

KOLAR DIVISION.

Notification dated 14th February 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Kolar Division, up to 2 P.M. on 9th March 1940, for restoration of Nandiganahalli Bandikankere, Major Tank, Reg. No. 156 of Chikballapur Taluk.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Kolar Division, should be addressed to the Executive Engineer, Kolar Division, in a sealed cover and superscribed as "Tender for Restoring Nandiganahalli Bandikankere (Major Tank)." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a treasury chellan for earnest money of Rs. 255, paid to the treasury to the credit of "17. (*a*) P. W. Deposits," against the account of the Executive Engineer, Kolar Division, Kolar. The earnest money of the successful tenderer will be retained as security for the due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 9th March 1940 at Kolar. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental schedule contract form, for the due fulfilment of the contract and for the execution of all items of work in accordance with the Bombay Specifications. A reserve of 5 per cent will be withheld in the work bills of the contractor and the same repaid after the due fulfilment of the contract.

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings, may be seen at any time at the Executive Engineer's Office, Kolar, on all working days between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same. When lumpsum provisions are shown in the schedule of quantities, the contractor will be paid at either his tendered rate for each item or the prevailing schedule of rates in the division at the discretion of the Executive Engineer.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer, on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative and may be due to any reasons whatsoever. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of January 1941, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 5 per day which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.

(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

N.B.—Copies of tenders in the prescribed form are obtainable from the Office of the Executive Engineer, Kolar Division, Kolar, only on a payment of four annas per form.

G. SESHAGIRI RAO,
Superintending Engineer.

SHIMOGA DIVISION.

Tender Notification dated 13th February 1940.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Shimoga Division, up to 3 P.M. on 16th March 1940, for restoring Balekoppa Doddakere Major Tank R. No. 120 of Kumsi Sub-Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of August 1940.

2. The plans, detailed estimates and conditions may be seen at the Executive Engineer's Office at Shimoga Division between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer on payment of As. 4. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a Treasury Challan of Rs. 235 as earnest money, and be superscribed "Tender for restoring Balekoppa Doddakere Major Tank R. No. 120 of Kumsi Sub-Taluk," in default of which the tender will be rejected.

5. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted, will be posted on the Notice Board, in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department, or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

13. Chamundy Brand cement should be used for the work.

14. A resesve of 5 per cent on the value of work done will be withheld from the bills towords security deposit.

Abstract estimate for restoring Balelkoppa Doddakere, Register No. 120 of Kumsi Sub-Taluk (Restored Major).

Each tender should accompany with a deposit challan for having credited the deposit amount of Rs. 160 in the Treasury under 17 (*a*) P.W. Deposits.

Abstract Notification dated 9th February 1940.

The attention of the public is invited to the Notification, published on pages 330-333, Part VI of the *Mysore Gazette*, dated 15th February 1940, calling for tenders for the work of constructing Rural Dispensary building with Emergency Ward at Singatagere, Kadur Taluk.

The last date of receipt of tender in this office is 11th March 1940.

Each tender should accompany with a Deposit challan for having credited the deposit amount of Rs. 160 in the Treasury under 17 (*a*) P.W. Depsosits.

Notification dated 18th February 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Kadur Division, Chikmagalur, up to 3 P.M. on 9th March 1940, for Constructing a row of shops in the compound of Sri Sringeri Mutt at Tarikere, Tarikere Taluk.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Kadur Division, on payment of annas four per each form should be addressed to the Executive Engineer, Kadur Division, Chikmagalur, in a sealed cover and superscribed as "Tender for constructing a row of shops in the compound of Sri Sringeri Mutt at Tarikere." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a Treasury challan for Rs. 305 (Rupees three hundred and five only) for having credited this earnest money to 17 (a) P. W. Deposits. The earnest money of the successful tenderer will be retained as security deposit for the due fulfilment of the contract. Such a deposit in cash will not carry any interest. Tenders unaccompanied by earnest money will not be accepted.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 9th March 1940 at Chikmagalur. The final acceptance of the tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the Departmental Schedule Contract Form for the due fulfilment of the contract.

6. Failure to comply with the conditon 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Chikmagalur, on all working days, between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures.

10. Any rates or lumsump amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the Schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The work should be completed and handed over in a tidy condition to the Public Works Department by the end of June 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 100 per fortnight which will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, meaurements, quality of work, etc., the decision of the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. Chamundi Brand Cement must be used for the work.

23. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.

(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.

(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.

(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.

(8) Provide arrangements for pumping and baling of water from excavations and foundations, wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.

(9) Afford facilities to any other parties employed upon the work by the P. W. D. so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.

(10) The contractor is responsible for all accidents to workmen, etc., on the work, and he must take precaution against all risk of accidents and, if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

Abstract estimate for constructing a row of shops in the compound of Sri Sringeri Muttat Tarikere.

MISCELLANEOUS DEPARTMENTS.

OFFICE OF THE INSPECTOR-GENERAL OF POLICE IN MYSORE, BANGALORE.

Notice No. T. C. 295—37-38, *dated* 19*th November* 1937.

The public are hereby informed that an Avery's Weigh-bridge to weigh motor vehicles is erected in the Office of the Inspector-General of Police in Mysore, Cenotaph Road, Bangalore City, and that motor vehicles brought for weighment will be weighed on payment of a fee of Rs. 10 for each weighment. A certificate of weighment will invariably be issued with each weighment so made.

F. A. HAMILTON,
Inspector-General of Police.

OFFICE OF THE *EX-OFFICIO* CONTROLLER OF PATENTS AND DESIGNS IN MYSORE, BANGALORE.

Notification No. F. Pat. 119—35-36, *dated* 14*th February* 1940.

RESTORATION PROCEEDINGS.

Notice is hereby given that an application has been made under Section 16 of the Mysore Patents and Designs Act, 1925, for the restoration of the following patent :—

119 of 1935-36.

"N. Nagaraja Rao and M. Padmanabha Rao."

The Patent ceased on 19th October 1939 owing to the non-payment of the renewal fee within the prescribed time. Any person may give notice of opposition to the restoration by leaving patent form No. 5 appended to the rules issued under the Mysore Patents and Designs Act of 1925, at the office of the *Ex-Officio* Controller of Patents and Designs in Mysore, Bangalore, within six weeks from the date of this notification.

L. MUNISWAMY,
For Ex-officio *Controller of Patents and Designs.*

GOVERNMENT OF MYSORE—ELECTRICAL DEPARTMENT.

OFFICE OF THE DEPUTY CHIEF ELECTRICAL ENGINEER IN MYSORE, BANGALORE.

Notification No. G. N. 22, dated 16th February 1940.

To

All Electrical Firms.

TOOLS REQUIRED FOR AUTOMATIC TELEPHONE.

GENTLEMEN,

Sealed tenders will be received in the Office of the Chief Electrical Engineer in Mysore, Bangalore, for the supply of tools as per unde mentioned schedule up to 12 NOON on 9th March 1940, duly superscribed "Tenders for Tools required for Automatic Telephones—9th March 1940, 12 NOON."

The firms should quote their best rates for delivery f.o.r. Bangalore, and also mention the exact date of delivery.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender or to assign any reason therefor. His decision in all cases shall be final.

Withdrawal from the quotation after it is accepted or failure to make the supply within the stipulated time will entail cancellation of the order and the purchase made elsewhere at the firm's expense.

Supply on this tender will be subject to the general conditions of contract prevailing in the department for local purchases.

Notification No. G. N. 23, dated 14th February 1940.

To

All Hardware Firms.

GENTLEMEN,

7 STRAND, ⅜″ DIA. GUY WIRE.

Sealed tenders will be received in the Office of the Chief Electrical Engineer in Mysore, Bangalore, for the supply of 7 strand, ⅜″ dia. Guy wire up to 12 NOON on 1st March 1940 and the tenders should be superscribed "Tenders for Guy Wire to be opened at 12 NOON on 1st March 1940."

Galvanized Guy Wire, 7 strand, ⅜″ dia. in coils of 1 Cwt. .. .. 50 Cwts.

The firms should quote their best rate for delivery, f.o.r., Sagar, and also mention the exact date of delivery.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to select any tender as he may consider it expedient to accept.

Withdrawal from the quotation after it is accepted or failure to make the supply within the stipulated time will entail cancellation of the order and the purchase being made at the firm's expense elsewhere.

Supply on this tender will be subject to the general conditions of contract prevailing in the Department for local purchases.

M. HAYATH,

Deputy Chief Electrical Engineer.

GOVERNMENT SANDALWOOD OIL FACTORY, MYSORE.

Notification.

TENDER FOR THE PURCHASE OF OLD CORNISH BOILER LYING AT THE INDUSTRIAL AND TESTING LABORATORY PREMISES, MALLESWARAM, BANGALORE.

1. Sealed tenders are invited for the purchase of Old Cornish Boiler (tested to work at a maximum pressure of 80 lbs.) and its available mountings, etc., appended herewith, available in the Government Industrial and Testing Laboratory.

2. Sealed tenders will be received at the Office of the Director, Sandalwood Oil Factory, Mysore, upto 5 P.M. on *16th March 1940.* The envelopes should be superscribed as "Tender for the purchase of Old Cornish Boiler."

3. Each tender must be accompanied by Rs. 50 as earnest money. The amount should be paid or remitted to the Office of the Director, Sandalwood Oil Factory, Mysore, in cash and a receipt obtained for the amount paid before the tenders are submitted. The earnest money (Rs. 50) of the successful tenderer will be adjusted towards the amount that will have to be paid to the Sandalwood Oil Factory in the event of the sale being settled in his favour. Such a deposit will not carry interest. The earnest money deposited by unsuccessful tenderers will be returned to them on submission of the receipt originally granted along with an application in original.

4. The tenders will be opened on 16th March 1940 at 3-30 P.M. The final acceptance of the tender will rest with the Director, Sandal Oil Factory, Mysore, who does not bind himself to accept the highest or any tender, or to assign any reasons whatever for the rejection of any. Quotations should be written in words as well as in figures.

5. The successful tenderer will be intimated in due course. Soon after the acceptance of the tender is intimated, the successful tenderer will be required to remove the Boiler within a week's time.

6. In all matters of disputes of any kind, the decision of the Director, Sandalwood Oil Factory, Mysore, will be final and legally binding on the successful tenderer.

7. Before the submission of tenders, the tenderers are required to inspect the Boiler and its accessories at the Industrial and Testing Laboratory.

8. Failure to comply with the conditions above stated will entail forfeiture of the earnest money and rejection of the tender.

LIST OF AVAILABLE MOUNTINGS BELONGING TO THE OLD CORNISH BOILER.

1. One feed pump of Hayward Tyler & Co.
2. One feed pump of Worthington Simpson Co.
3. 3′ dia. W. I. chimney in three pieces.
4. One C. I. Bed plate with 4 bolts.
5. One 2½″ C. I. Bend.
6. Two 2½″ C. I. pipes 1′—3″ long with flanges.
7. One C. I. pipe 2½″ bore 4′—2¼″ long with flanges.
8. Two W. I. throat tubes (one burnt out on one side).
9. One 4″ steam stop valve body without wheel, spindle, guide and G. M. valve, etc.
10. One 4″×1″ C. I. Tee.
11. One Lever rod.
12. Two lever weights.
13. 2½″ dia. Old Chimney 45′—7″ long and one with C. I. bed plate 15′—9″, one length.
14. C. I. Bed plate, one, broken.
15. 2½″ W. I. pipe with bend and flange, one.
16. Four C. I. flue doors.
17. Husk furnace, C. I. fittings.
18. C. I. Chairs, two.
19. Side dampers, two.
20. One main damper.

S. G. SASTRY,
Director,
Sandalwood Oil Factory.

FORM OF TENDER.

To

The Director,

Notification No. 4665—*C. R. B.* 67-39-1, *dated* 12*th February* 1940.

Applications in the form prescribed by the Central Recruitment Board are hereby invited from both Brahmin and Backward community candidates with a minimum General qualification of S.S.L.C. and also a pass in the Draughtsman's examination or the Sub-Overseer's examination from the School of Engineering, for issuing supplemental lists for Assistant Draughtsmen and Tracers, in accordance with the revised rules of Recruitment, issued with Government Order No. 6-105—C. R. B. 1-34-1, dated the 3rd July 1934 and published in Part I of the *Mysore Gazette*, dated the 5th July 1934.

1. The candidates must be Mysoreans by birth or domicile. Where an applicant claims to be a domiciled Mysorean, a certificate from a Gazetted Officer of the Mysore Service showing the grounds for the claim of domicile should be enclosed.

2. *Age limit.*—The maximum age of entry into service will be 25 years in the case of Brahmin candidates and 28 years in the case of Backward community candidates.

3. *Departmental tests.*—In addition to the general educational qualifications specified above, candidates may be required to pass such departmental tests as may be prescribed by Government from time to time.

4. As vacancies occur, the appointments will be made from the approved lists according to the relative order of mention therein of the names of candidates.

5. The appointed candidate will be started as Probationer in the Unit of recruitment and will, on the cessation of the temporary or acting vacancy in which he is appointed, be as far as possible, continued and provided in other vacancies of the same class, till he is finally absorbed. He will ordinarily start at the bottom of service in the class to which he is appointed and will be on probation for a period of one year from the date on which he joins duty.

6. Intending candidates should submit their applications in duplicate in the prescribed form together with copies of testimonials, etc., so as to reach the undersigned on or before the 10th March 1940.

7. No notice will be taken of applications that are not in response to this Notification or are received after the due date or are not submitted in the prescribed form or do not furnish all the particulars required in various columns of the form.

8. Candidates who are already holding permanent or acting appointments and candidates whose names have already been assigned to some units must not apply.

9. Severe notice will be taken of the candidates who give false information.

By Order,
K. THIPPERUDRIAH,
Secretary,
Central Recruitment Board.

ENGINEERING DEPARTMENT.

TUMKUR DIVISION.

Notification dated 17th February 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Tumkur Division, up to 2 P.M. on 6th March 1940, for providing additional accommodation to the District Lock-up at Tumkur. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1940.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Tumkur between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms, which may be obtained on payment of annas four for each form from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a treasury chellan for Rs. 160 credited to Treasury under "17 (*a*) P.W. Deposits" as earnest money, and be superscribed as "Tender for providing additional accommodation to the District Lock-up at Tumkur," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per current schedule rates of the department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

P. RAJAGOPALAN,
Executive Engineer.

CHITALDRUG DIVISION.

Notification dated 20th February 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Chitaldrug Division, up to 3 P.M. on 9th March 1940, for constructing Linemen's quarters at Anagod and Vijapur on Davangere-Chitaldrug transmission line.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Chitaldrug Division, should be addressed to the Executive Engineer, Chitaldrug Division, in a sealed cover and superscribed as "Tender for constructing Linemen's quarters at Anagod and Vijapur on Davangere-Chitaldrug transmission line." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a duplicate Treasury challan only after having paid the deposit of Rs. 200 for each work in cash to the credit of "17 (a) P. W. Deposit" or Government Promissory Notes or Mysore Government Bonds, duly endorsed at face value or market value, whichever is less, as earnest money and the balance up to 10 per cent will be reserved in the bills of the successful tenderer. The earnest money of the successful tenderer will be retained as security deposit for the due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 9th March 1940 at 3-30 P.M. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form, for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay Specifications (1931).

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force, will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Chitaldrug, on all working days between 11 A.M. and 5 P.M. and may be obtained from that officer on payment of Re. 0-4-0.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of December 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 25 per day which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

23. Chamundi Brand cement alone to be used.

24. All lumpsum items will be measured and paid for at the minimum schedule rates.

Abstract estimate of the probable cost of constructing one and half block of line-men's quarters to accommodate six coolies at Anagodu on the Davangere-Chitaldrug transmission lines.

B. TIRUMALACHAR,
Executive Engineer.

MISCELLANEOUS DEPARTMENTS.

SRI NARASIMHARAJA HOSTEL, BANGALORE.

Notification No. 552, *dated* 20*th February* 1940.

Attention of the public is invited to the tender Notices published in pages 334 to 337, Part VI of the *Mysore Gazette*, dated the 15th February 1940, calling for the supply of provisions, curds and milk vegetables and stationery to the Sri Narasimharaja Hostel, Bangalore, for the year 1940-41.

M. S. RAJAGOPAL RAU,
President.

OFFICE OF THE MANAGER, GOVERNMENT EXPERIMENTAL FARM, HIRIYUR.

Notification dated 17th February 1940.

1. Sealed tenders for purchasing of about 2,300 maunds of jaggery manufactured in the Government Experimental Farm, Hiriyur (about 3 miles from Hiriyur and 28 miles from Chitaldrug Railway Station) will be received in the office of the undersigned up to 1 P.M. on Monday the 11th March 1940.

The quantity quoted above is more or less approximate and cannot be guaranteed.

2. The tender should be superscribed "Tender for the purchase of Babbur Farm Jaggery" and the price offered must be per maund of 28 lbs. delivered on the Farm.

3. The tender should be accompanied by a deposit of Rs. 100 in cash.

4. Samples of jaggery will be available for inspection in the Office of the Assistant Director of Agriculture, Chitaldrug Circle, and on this Farm and the Agricultural Inspector, Hiriyur.

5. The tenders will be opened by the undersigned at 1 P.M., on Monday the 11th March 1940 and the name of the successful tenderer will be notified in due course. The deposits of the unsuccessful tenderers will be returned to them at their own cost.

6. The acceptance or rejection of any tender rests with the Director of Agriculture, whose decision will be final in the matter, without assigning any reason therefor.

7. The deposit of the successful tenderer will be retained and he will be required to execute an agreement on twelve annas stamped paper and to furnish a cash security of one-fourth of the purchase amount within three days of acceptance of the tender.

8. Deliveries of produce must be taken against full payment in cash, from the day when the tenderer executes agreement and further daily, the produce being weighed every evening, failing which the contractor must accept the weights as recorded by the Farm authorities on the day of manufacture.

The earnest money and the security amount will be adjusted at the close of the transaction. The weight of the Farm Balance must be accepted as correct.

9. The purchaser should make his own arrangements for the transport of the produce from the Farm.

10. Failure to comply with any of the above conditions on the part of the successful tenderer will entail the forfeiture of the amounts deposited and the produce will be re-auctioned at his risk and the expense of the successful tenderer who will have no claim to participate in the gain, if any.

ARCOT DEVARAJ,
Manager.

PRIVATE ADVERTISEMENTS

GOVERNMENT OF MYSORE, STORES PURCHASE COMMITTEE, BANGALORE.

FOREST DEPARTMENT.

SHIMOGA DIVISION.

ERRATUM.

"Please read *Thursday the 21st* for *Monday the 21st March 1940* in the detailed Notification dated 8th February 1940, published on Pages 308-309 of the *Mysore Gazette*, dated 15th February 1940 and *21st March 1940* for *11th March 1940* in the abstract notification."

M. A. MUTHANNA,
District Forest Officer.

ENGINEERING DEPARTMENT.

BUILDINGS DIVISION, BANGALORE.

Abstract Notification dated 5th February 1940.

The attention of the public is hereby invited to the detailed notification calling for tenders for constructing buildings for University Settlement, Students' Ashram, Office and Superintendent's Quarters, kitchen blocks and training centres in Mysore Road, Bangalore City, published in pages 312 to 317, Part VI of the *Mysore Gazette*, dated 15th February 1940. The last date of tender is 24th February 1940.

Notification dated 20th-21st February 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Buildings Division, up to 2 P.M. of 8th March 1940, for extensions to Chemistry Block of Central College, Bangalore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of April 1940.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office, Buildings Division, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 875 (Rupees eight hundred and seventy-five only) in cash or Government Promissory Notes, as earnest money and be superscribed "Tender for Extension to Chemistry Block of Central College, Bangalore, in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enqniry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Tenders must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any tenders quoted at so much percentage less or more than estimated rate will not be accepted.

Abstract estimate for extension to Chemistry Block, Central College, Bangalore.

21	White washing and colour washing	Sqr.	0 4 0	90·38	

Notification dated 21st February 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Buildings Division, up to 2 P.M. of 9th March 1940, for Extension to Physics Block, Central College, Bangalore.

An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of May 1940.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Buildings Division between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 645 (Rupees six hundered and forty-five only) in cash or Government Promissory Notes as earnest money, and be superscribed "Tender for extension to Physics Block, Central College, Bangalore," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Tenders must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any tender quoted at so much percentage less or more than estimated rate will not be accepted.

PUBLIC ADVERTISEMENTS

FOREST DEPARTMENT

HASSAN FOREST DIVISION.

Notification dated 18*th February* 1940.

ERRATUM.

It is hereby notified for the general information of the public that the auction sale of timber at Hassan Depot will be held on Wednesday the 12th March 1940 instead of on 5th March 1940 as notified as per notification dated 3rd February 1940 printed on pages 264-265, Part VI of the *Mysore Gazette*, dated 8th February 1940.

D. NARASIMHAMOORTHY RAO,

District Forest Officer.

SHIMOGA FOREST DIVISION.

Abstract Notification dated 8th February 1940.

The attention of the public is invited to the detailed notification of date, regarding the auction sales of sawn materials on 21st March 1940 in the compound of Forest Quarters at Agumbe, published on pages 308-310, Part VI of the *Mysore Gazette*, dated 15th February 1940.

Notification dated 20th February 1940.

It is hereby notified for general information that the right of collecting thupra leaves on all Government unoccupied lands, Amrit Mahal Kavals, State Forests, Reserve lands and Plantations in the Honnali Taluk as noted below from the date of confirmation of sale up to end of June 1942 will be sold in auction subject to the following conditions:—

Taluk	Place of Sale	Date of sale	Officer conducting the sale
Honnali	Travellers' Bungalow, Honnali.	Wednesday 20th March 1940.	District Forest Officer, Shimoga or the Assistant to the District Forest Officer.

N.B.—(*a*) Government have reserved their power of issuing individual licenses for *bona fide* local consumers.

(*b*) Excludes the Produce of Inam, Jodi, Kayamgutta, Sarvamanya and other lands which are in the occupancy of private individuals as well as Village Forests.

1. The auction will commence at 3 P.M. and if it is not concluded on the same day, will be continued on the following day.

2. Defaulters on account of previous lease will not be permitted to bid.

3. No person will be allowed to bid unless he has deposited with the officer conducting the sale, a sum of Rs. 50. The deposits of unsuccessful bidders will be returned immediately after the sale.

4. The above right of collecting and removing the produce will be disposed of to the highest bidder subject to the confirmation of the District Forest Officer or the Conservator of Forests, as the case may be, who at his discretion may accept or reject the highest or any other bid without assigning any reason therefor.

5. The successful bidder shall, at the close of the sale, credit into the Taluk or District Treasury one-fourth sale amount (exclusive of the deposit amount already paid) together with Local Cess at one anna per rupee, Railway Cess at three pies per rupee and Education cess at six pies per rupee on the entire sale amount. In default of payment, the deposit already paid will be forfeited and the right resold. Such resale will be at the risk of the defaulting purchaser, who will be liable to make good any loss that may result to Government by such resale, but will not participate in any profit accruing therefrom.

N.B.—If the deficit be not paid it will be recovered as arrears of land revenue.

6. If the sale is not confirmed, the amount paid will be refunded.

7. The accepted bidder shall pay the balance of sale amount within fifteen days of the intimation of the confirmation of the sale and execute an agreement binding himself to observe the conditions mentioned hereunder. In default, the acceptance of the bid will be revoked, the money already paid forfeited and the right resold.

Further conditions to be entered in the agreement are:—

(*a*) The lessee shall hold himself responsible for the cutting or injuring of any other trees on the plea of collecting the produce. The lessee shall be held personally responsible for the acts of his agents or servants.

(*b*) The lessee shall furnish a list of sub-contractors, agents or servants who may be appointed by him for the collection of produce.

(*c*) The lessee shall work out the lease himself and not transfer or sublet it to others without the previous sanction of the District Forest Officer.

(*d*) The lessee, his agents or servants shall render all possible help in preventing the occurrence of fires in Forest in which he or they may be working and render prompt assistance in extinguishing such fires, as may break out accidentally.

(*e*) The lessee shall remove out of the limits of the Forests all produce collected under the terms of the lease before the 30th June 1942.

(*f*) Neither the lessee nor his servants shall enter the State Forests either before sunrise or after sunset.

8. In the event of the breach of any of the above conditions, the lease will be liable to be cancelled, and the lessee fined to the extent of Rs. 25 which will be recovered as an arrear of land revenue.

9. Interest at 6¼ per cent will be charged on all belated payments.

M. A. MUTHANNA,
District Forest Officer.

SAGAR FOREST DIVISION.

Abstract Notification dated 3rd February 1940.

The attention of the public is invited to the detailed notification, published on pages 310-311, Part VI of the *Mysore Gazette*, dated 15th February 1940, regarding tender for supply of rations to elephants of the Division.

Place.	*Date of receipt of tender.*
District Forest Office, Sagar	2nd March 1940.

Notification dated 24th February 1940.

SALE OF TIMBER.

It is notified for the general information that the undermentioned kinds and quantities of timber will be sold by public auction under the following conditions at the following depots on the dates noted against the same :—

Name of depot	Date of sale	Teak logs	Sura-honne	Nandi	Honne	Other kinds	Remarks
Shiralkoppa	15-3-40	400	..	500	..	100	The sale will be conducted by the District Forest Officer, Sagar Division, or any other officer deputed by him. The sale of timber will commence at 2 P.M. in all the depots on the dates fixed.

N.B.—Quantities noted are only approximate.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale. But defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber not exceeding Rs. 200 in value, this deposit will not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. The sale is subject to the confirmation of the Conservator of Forests if the amount exceeds Rs. 1,000 and to that of the District Forest Officer in other cases.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Act. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of the successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of notice of confirmation of the sale, whichever is later. The moneys shall be paid into such treasury as the District Forest Officer may direct, within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, including the 10 per cent deposit paid for the lot at the time of the sale ; and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the date of sale. Timber not removed after purchase will remain in the depot at the risk of purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be

immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

13. Interest will be charged on all belated payments at 6¼ per cent per annum from the date of their falling due up to the date of payment.

N. VENKATARAMAIYA,
District Forest Officer.

BHADRAVATI DIVISION.

Notification dated 23rd February 1940.

It is hereby notified for general information of the public under Section of the Mysore Forest Act that the following quantities of timber found unclaimed have been seized and kept in the custody of the persons noted against each. Persons having any claim to the said timber may prefer their claims within one month from the date of this notification failing which the timber shall lapse to Government under Section 42 of the said Act.

Name of Range	Kind	Quantity		Locality	Name of Custodian
		No.	C.ft.		
Bhadravati ..	Teak pieces	6	18	Viraktha Mutt of Kudligere village.	Mr. Chennappa, Patel, Kudligere.
Do ..	Do ..	1	6	Attigunda village ..	Do
Tarikere ..	Do ..	20	79	Mallenahalli Kaval, Amritapur Hobli, Tarikere Taluk.	Mr. Vergini Naika of Hosahalli Tandya, Tarikere Taluk.
Do ..	Teak logs	2	10	Nerlukere Village, Tarikere Taluk.	Mr. Prabhaiya of Nerlakere.
Do ..	Do ..	1	20	Near Hulikatte Nagenhalli Village, Tarikere Taluk.	Mr. Mohamed Imam of Nagenahalli.

Notification dated 23rd February 1940.

Sealed tenders will be received by the District Forest Officer, Bhadravati Division, till 4 P.M. on Wednesday the 20th March 1940, for the supply of the following kinds and quantities of rations to the departmental elephants working in the Division, commencing from the date of execution of the agreement to the end of 31st January 1941.

2. The approximate quantity of rations is as follows :—

Paddy	500 pallas	More or less.
Salt	6 ,,	
Castor oil	50 maunds	
Paddy straw during hot weather	12,000 bundles	
Rice	10 pallas	

3. Each tender must be accompanied by a deposit of Rs. 50 in Currency Notes as earnest money, and be superscribed as "Tender for the supply of rations to elephants." The tender may be either for the whole Division or elephants working in any of the Ranges to be specified clearly.

4. The final acceptance of the tender will rest with the Conservator of Forests, Shimoga, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of the same.

5. The name of the successful tenderer will be notified in due course on the notice board of the District Forest Office, Bhadravati Division, and the tenderer should, within a week of the intimation thereof, enter into an agreement for the due fulfilment of the contract, duly furnishing a cash security deposit of Rs. 100 in the Government Treasury inclusive of the amount of earnest money already paid. In default to execute the bond and to furnish security deposit, the tender will be cancelled and the earnest money forfeited to Government.

6. The tenderer should supply the rations in time and at the appointed places to the Range Officer and should also be prepared to remove and replace all provisions which may be rejected by the Range Officers. In case he fails to do so, the supply will be made by the Department and

all extra charges will have to be borne by the contractor himself which will be recovered from the security deposit.

7. Once in a month, the tenderer will be paid through the Range Forest Officer for the value of the rations that may be supplied during the month on a bill to be prepared and sent to his office for sanction along with the receipts previously obtained by him for the supply of rations to the Range Officers after the bill is countersigned by the District Forest Officer.

8. The earnest money of the rejected tenderers will be returned to them immediately if they happen to be present at the time of opening of tenders and to others by post at their cost.

9. In all cases of disputes concerning the contract, the decision of the Conservator of Forests will be treated as final.

10. The contractor should also supply any special rations required whenever required at the current market rates.

11. For breach of any of the foregoing conditions, the District Forest Officer will be at liberty either to fine the contractor to the extent of Rs. 5 in each case or to cancel the contract at any stage and forfeit the deposit in full or part. The fine, if any levied on the contractor, will be recovered from the contractor's bill or security deposit.

12. The deposit of the contractor will be returned one month after the expiry of the contract period if the terms of the contract as per tender notification are fulfilled.

ENGINEERING DEPARTMENT

BUILDINGS DIVISION, BANGALORE.

Abstract Notification dated 13th February 1940.

The attention of the public is hereby invited to the detailed notification, calling for tenders for constructing New Research Laboratory in the Serum Institute, Hebbal, Bangalore, published in pages 361-363, Part VI of the *Mysore Gazette*, dated 15th February 1940. The last date for receipt of tenders is 2nd March 1940.

Abstract Notification dated 12th February 1940.

The attention of the public is invited to the notification, calling for tenders for constructing a block of buildings in front of the existing blocks of the Middle School at Malleswaram, Bangalore City, on pages 363-365 of Part VI of the *Mysore Gazette*, dated 15th February 1940. The last date for receiving tenders is 8th March 1940.

Abstract Notification dated 21st February 1940.

The attention of public is hereby invited to the detailed notification, calling for tenders for constructing extensions to Chemistry Block to Central College, Bangalore, published in pages 415-416, Part VI of the *Mysore Gazette*, dated 22nd February 1940.

The last date of tender is 8th March 1940.

Abstract Notification dated 21*st February* 1940.

The attention of the public is hereby invited to the detailed notification, calling for tenders for extension to Physics Block of Cenrtal College, Bangalore, published in pages 417-418, Part VI of *Mysore Gazette*, dated 22nd February 1940.

The last date of tender is 9th March 1940.

Notification dated 20—24*th February* 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Buildings Division, up to 2 P.M. on 16th March 1940, for constructing a new Building for Public Health Institute (Laboratory block,) Bangalore.

An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of July 1940.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Buildings Division, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 1,250 (Rupees one thousand two hundered and fifty) in cash or Government Promissory Notes as earnest money, and be superscribed "Tender for constructing new Public Health Institute Building, Bangalore," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Government who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Tenders must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any tender quoted at so much percentage less or more than estimated rate will not be accepted.

M. K. RAJAM IYENGAR,
Executive Engineer.

BANGALORE DIVISION.

Abstract Notification dated 10th February 1940.

The attention of the public is hereby invited to the detailed notification, inviting sealed tenders for restoring and improving Bettahalli Urumundinakere, Register No. 107, Kudur Hobli, Magadi Taluk, published in pages 358-360 of Part VI of the *Mysore Gazette*, dated 15th February 1940. The last date for the receipt of the tender is 2 P.M. on 4th March 1940. Duplicate challan for having credited the deposit money of Rs. 200 into the Treasury under 17 (*a*) P.W. Deposits should accompany each tender.

Notification dated 23rd February 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 2 P.M. on 16th March 1940, for Restoring Kayamgutta Kattariguppe Kannerkatte minor tank Reg. No. 62 of Bangalore Taluk.

2. Tenders in the prescribed form obtainable on payment of Re. 0-4-0 per form from the Office of the Executive Engineer, Bangalore Division, should be addressed to the Executive Engineer, Bangalore Division, in a sealed cover and superscribed as "Tender for restoring Kayamgutta Kattariguppe Kannerkatte minor tank Reg. No. 62 of Bangalore Taluk." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a duplicate challan for having credited into the Treasury the deposit amount of Rs. 210 under "17(*a*) P. W. Deposits" or Mysore Government Bonds, duly endorsed at face value or market value, whichever is less, as earnest money. The earnest money of the successful tenderer will be retained as security deposit for the due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 16th March 1940 at 3 P.M. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form, for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay Specifications (1931).

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Bangalore, on all working days between 11 A.M. and 5 P.M. and may be obtained from that officer on payment of Rs. 3 for each.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of August 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Re. 1-6-0 per day, which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

C. R. IYENGAR,
Executive Engineer.

TUMKUR DIVISION.

Abstract Notification dated 17th February 1940.

The attention of the public is drawn to the Notification, calling for tenders for providing Additional accommodation to the District Lock-up at Tumkur, published in pages 408-409, Part VI of the *Mysore Gazette*, dated 22nd February 1940.

2. The tenders will be received by the Executive Engineer up to 2 P.M. on 6th March 1940.

3. The earnest money required for the work is Rs. 160 which should be credited to the treasury to "17 (*a*) P. W. Deposits" and the relative challan enclosed.

Notification dated 22nd February 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Tumkur Division, up to 2 P.M. on 18th March 1940, for increasing the capacity of Siddapur Major Tank, Reg. No. 3 of Madhugiri Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1941.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Tumkur, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained on payment of annas four for each form from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a treasury chellan of Rs. 335 only for having credited the amount to 17 (a) P. W. Deposits as earnest money and be superscribed "Tender for increasing the capacity of Siddapur Major Tank, Madhugiri Taluk, in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per current schedule rates of the department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

P. RAJAGOPALAN,
Executive Engineer.

MYSORE DIVISION

Notification dated 25th February 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Mysore Division, up to 12 NOON on 15th March 1940, for constructing a girder bridge across the Suvarnavati river near Chandakavadi at 3—6 of Hondrabal-Chamarajnagar Road, Chamarajnagar Taluk.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Mysore Division, on payment of annas four each should be addressed to the Executive Engineer, Mysore Division, in a sealed cover and superscribed as "Tender for constructing a girder bridge across the Suvarnavati river near Chandakavadi at 3/6 of Hondrabal-Chamarajnagar Road, Chamarajnagar. The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a deposit of Rs. 1,500 (in words) (rupees one thousand five hundred only) in cash or Government Promissory Notes or Mysore Government Bonds, duly endorsed at face value or market value, whichever is less, as earnest money. The earnest money of the successful tenderer will be retained as security deposit for the due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 15th March 1940 at 5 P.M. The final acceptance of the tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to deposit the balance earnest money and then execute an agreement in the departmental Schedule Contract Form, for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay Specifications (1931).

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force, will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Mysore, on all working days between 11 A.M. and 5 P.M. and may be obtained from that officer on payment of Rupees Ten.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of June 1941, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. per day which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the

date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

23. Mysore cement and Mysore steel will have to be used in the construction.

S. RAMASWAMY,
Executive Engineer.

OFFICE OF THE SUPERINTENDING ENGINEER, IRRIGATION CIRCLE, K. R. S. WORKS, MYSORE.

Notification dated the 15*th February* 1940.

Applications are invited from candidates who have passed from the Civil Engineering School, for appointment as Work Inspectors on Rs. 25 per month for the subordinate Supervision of Works in execution in the Irwin Canal, and Irwin Canal Construction Divisions, Mandya.

2. The appointments are purely temporary, being borne on the Work Establishment of the Division, and are terminable without notice.

3. The applications should be in the form prescribed by the Central Recruitment Board, and should reach the undersigned on or before the 1st April 1940.

4. These appointments are open to candidates of all communities.

Notification dated the 16*th February* 1940.

Applications are invited from Engineering Graduates of the Mysore University, for appointment as Work Inspectors on Rs. 50 per month for the subordinate supervision of Works in execution in the Irwin Canal and Irwin Canal Construction Divisions, Mandya.

2. The appointments are purely temporary, being borne on the Work Establishment of the Division, and are terminable without notice.

3. The applications should be in the form prescribed by the Central Recruitment Board, and should reach the undersigned on or before 1st April 1940.

4. These appointments are open to candidates of all communities.

G. SESHAGIRI RAO,
Superintending Engineer.

SHIMOGA DIVISION.

Abstract Notification dated 13*th February* 1940.

The attention of the public is drawn to the Notification, calling for tenders for restoring Balekoppa Doddakere, Major Tank, Register No. 120 of Kumsi Sub-Taluk, published in pages 378-379, Part VI of the *Mysore Gazette*, dated 22nd February 1940.

Tenders will be received by the Executive Engineer, Shimoga Division, up to 3 P.M. on 16th March 1940.

Earnest money required for the work is Rs. 235 which should be credited to the Treasury to "17 (*a*) P. W. Deposits" and challan enclosed.

Notification dated 23rd February 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Shimoga Division, Shimoga, up to 3 P.M. on 18th March 1940 for constructing a building for an Intermediate College at Shimoga.

2. Tenders in the prescribed form obtainable from the office of the Executive Engineer, Shimoga Division, Shimoga, on payment of annas four (As. 4) for each form, should be addressed to the Executive Engineer and should be superscribed as "Tender for constructing a building for an Intermediate College at Shimoga." The name of the tenderer should also be superscribed on the sealed cover.

3. Each tender must be accompanied by a deposit of Rs. 6,775 in cash or Mysore Government bonds duly endorsed to the Executive Engineer, Shimoga Division, at the face value of the bond as earnest money. The earnest money of the successful tenderer will be retained as cash security for due fulfilment of the contract. (Cash amount will not carry any interest.) The amount of earnest money should be paid direct to the Treasury and the duplicate Treasury Challan submitted separately along with the tender.

4. The name of the successful tenderer will be posted on the notice board in the Executive Engineer's Office in due course. Within a fortnight of the acceptance of the tender, the successful tenderer will be required to execute the agreement in the departmental schedule contract form for the due fulfilment of the contract.

5. The final acceptance of the tender will rest with the Government who do not bind themselves to accept the lowest or any tender or to assign any reasons whatever for the rejection of any.

6. Failure to comply with the condition (4) above or to agree to carry out the work in accordance with the specifications and agreement in force will entail forfeiture of the earnest money.

7. Copies of contract documents, estimates and drawings may be seen at any time at the office of the Executive Engineer on all working days, between 11 A.M. to 5 P.M.

8. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

9. Any rates or lumpsum amounts for the items not called for, if entered by the tenderer will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same. When lumpsum provisions are shown in the schedule of quantities, the contractor will be paid on actual work at schedule rate as per data at the discretion of the Executive Engineer.

10. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made the tenders are liable for rejection.

11. There should be no alteration or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

12. When once the tendered rates are accepted, they will not be liable for revision under any circumstances. In regard to items of work not tendered the rates for the same will be decided as per data and allowing contractor's profit of 5 per cent and the Executive Engineer's decision will be final in the case.

13. The quantities given in the schedule are only approximate and the drawings shown to the contractors are only tentative and are liable to alterations, omissions, deductions or additions at the discretion of the Executive Engineer only. The tendered rates will be paid for any quantity, whether executed in excess of deficit compared to those given in the enclosed abstract estimate.

14. The specification for work will be those in the Marryot's specifications. The work should be completed and handed over to the Public Works Department within eight months from the date of issue of order for the commencement of the work.

15. The contractor should arrange for the payment of royalty and tolls.

16. Only 'Chamundi Brand' cement should be used for all works requiring this material.

17. For other conditions governing the contract the departmental schedule contract agreement form available in the Executive Engineer's Office may be consulted. These conditions will be strictly followed.

D. A. HUKERI,
Executive Engineer.

ANJANAPUR DIVISION.

Tender Notification dated 23rd February 1940.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Anjanapur Division, up to 12 NOON on 1st April 1940, for construction of a Circle of 100 feet diameter at entrance to waste weir of Anjana ur Reservoir, Shikar, ur Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1940.

2. The plans, detailed estimates and conditions may be seen at the Executive Engineer's Office at Anjanap r between the hours of 8 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Eng neer on payment of As. 4 per form. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a Treas ry Challan for Rs. 140 credited to "17 (a) Public Works Deposits" as earnest money ,and superscribed "Tender for construction of a Cir le of 100 feet diameter at entrance to waste weir of Anjanapur Re ervoir, Shikarpur Taluk," in default of which the tender will be rejected.

5. The final acceptance of a y tender will rest with the Executive Engineer, who does not bind himsel to accept the lowest or any tenders or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted, will be posted on the Notice Board, in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates for non-tendered and non-estimated items shall be as per current schedule rates of the department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

10. Rates once tendered will not be enhanced on any account.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Tenders must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any tender tendered at so much percentage less or more than estimated rate will not be accepted.

13. The tenderer is bound to employ local labour as far as possible.

14. Chamundy cement of approved quality should be used.

7 Strand, $\frac{3}{8}$" dia Gray Wire.

Attention is drawn to this office Notification, dated 14th February 1940, inviting tenders for the above work, published in Part VI, page 386 of the *Mysore Gazette*, dated 22nd February 1940. The last date of receiving tenders is 1st March 1940.

Notification No. G. N. 24, dated 26th Febrary 1940.

To

HARDWARE MERCHANTS.

GENTLEMEN,

Please be good enough to quote your best rate for the supply of the following, delivered, f.o.r., Bangalore City, stating therein time required to make the supply. Your tender superscribed "Tender for Galvanized Wire, 16th March 1940, 12 NOON" should be delivered in the office of the Chief Electrical Engineer in Mysore, Bangalore.

Miles 80.—No. 10 B.W.G. double-galvanized telephone steel wire, conforming to latest British Standard Specification; to be supplied in 1 cwt. coils.

Note.—Tenderers should furnish the following details:—

(1) Weight per mile.
(2) Resistance per mile at 20°C.
(3) Ultimate strength.

The supply on this tender would be subject to the conditions of contract obtaining in this department for local purchases.

Failure to supply the wire within the agreed time will entail not only cancellation of the order but also the purchase being made at the cost of the firm failing to fulfil the contract.

The Chief Electrical Engineer will not bind himself to accept the lowest tender or to assign any reason for accepting tender of any firm other than the lowest. His decision in all cases of dispute in respect of this tender will be final.

M. HAYATH,
For *Chief Electrical Engineer.*

OFFICE OF THE SUPERINTENDENT, POWER AND LIGHTING, MYSORE.

Notification dated 16th February 1940.

1. Sealed tenders in triplicate will be received at the Office of the Superintendent, Power the Lighting, Mysore, superscribed with the name of the work noted below.

2. A sum of Rs. 95 (Rupees Ninety-five) only is required to be sent along with the tender in cash or currency or cheque drawn in favour of the Superintendent, Power and Lighting, Mysore or order, being the earnest deposit. *Tenders not accompanied with the said deposit will not be accepted.*

3. The plans connected with the work may be seen at the office of the undersigned at all working hours. The same will be made available on payment of Rs. 3 per set, if required.

4. The tender should be drawn up strictly in conformity to the specifications furnished writing out the rates at which each item of work will be executed in figures as well as in words, failing which, no cognizance will be taken of the tender. *The type of wiring adopted being in conduit embedded in the wall it has been arranged to cut open the Grooves for laying the conduit including the niche, to plaster and finish the surface damaged, through the agency of the Public Works Department. The tender should comprise provision exclusively for the electrical portion of the work.* No items other than those incorporated in the statement should be included in the tender as the items cover provision for all the necessities to the satisfactory execution of work.

5. Materials to be used on the work should be of best quality conforming to the specification of this department and B.S. or A.I.E.E. Specifications. Mention should also be made of the manufacture and the catalogue numbers of the materials offered. Teakwood planks to be used on the work should be free from knots, cracks and should be well seasoned. No plank less than 12″ in width will be permitted to be used unless it is to make up the difference in size of the board required. Only lap joints should be adopted in all cases.

6. The undersigned reserves the right to reject the tenders without assigning any reason therefor.

7. The successful tenderer will be required to execute an agreement within two days from the date of communication of acceptance of the tender. He should arrange to send for inspection the materials to be employed on the work and start the work after obtaining the approval of the undersigned with regard to the same within a week from the date of communication of acceptance. Failure to adhere to the conditions above will entail forfeiture of the earnest deposit and adoption of such measures as are necessary for expediting completion of the work otherwise entirely at his risk. He should also bind himself to execute the work strictly adhering to the wiring rules of this department as well as those of I.E.E. He should also be prepared to adopt changes in the location of lighting fixtures control points, etc., that might be desired by the undersigned during the progress of the work without any obligation if the tender is not materially affected thereby. It may be noted that the control switches of the lighting outlet as also wall plugs should be grouped and located at a height between 2½ to 4 feet above floor level as per directions at the time of the execution.

8. The undersigned reserves the right to reject the work either in full or in part if the same is not executed according to the above specifications or is not satisfactory as regards workmanship.

9. Special care should be taken to afford metallic continuity and to provide efficient earthing to the installation as the system of wiring adopted is in conduit.

10. *Name of work.*—Installing electric lights and heating circuits to the Special Ward of 12 beds at Krishnarajendra Hospital, Mysore.

11. *Last date and time of receiving the tender.*—At 3 P.M. on the 11th March 1940.

12. *Last date and time for opening the tender in public.*—At 4 P.M. on 11th March 1940.

13. A period of 8 weeks from the date of acceptance of tender will be allowed for the completion of work in all respects. If the installation is not handed over to the department with service on the due date, the department will arrange to take charge of the installation at whatever stage it might be and arrange for completion of the work through any other agency at the risk of the tenderer.

14. The firm executing the work should arrange while handing over the installation to this Department to pass a certificate of guarantee for the continuance of satisfactory service to the installation for a period of 12 calendar months from the date of handing over charge to this Department while uninterrupted power supply is maintained. Further, it will be obligatory on the part of the Firm to attend to any defects in the installation that might crop up during the above period without any return for service rendered.

15. *Details of work.*—The quantities given in the annexed Statement are not guaranteed and are subject to variation at the time of executing the work.

Installing Electric lighting and heating circuits to the Special Ward of 12 Beds at Krishnarajendra Hospital, Mysore.

Sl. No.	Particulars	Unit	Quantity
	Part I—Mains.		
1	Supplying and laying No. 7/.036 SWG. twin core paper insulated, lead covered, double steel tape armoured, jute served, underground cable suitable for 1,000-Volts working pressure in a trench 3 feet deep, surrounding the same with 3″ fine sand enclosing the ends of the cable in pole and indoor type C. I. junction boxes filled with insulating compound and the vertical run of the cable at the pole end in 18″ of 1½″ C. I. pipe with bends and clamps etc., using No. 7/.036 SWG. insulated wire and accessories (for lighting mains)	R.ft.	130
2	Do do 7/.064 SWG. twin core cable in the same trench as provided in item (1) above and as per specification above ..	,,	130
3	Running mains in ¾″ braized conduit embedded in the wall with necessary clamps and bends using No. 7/.036 SWG. insulated wire and accessories	,,	4
4	Do do in 1″ braized conduit as per specification above, using No. 7/.064 SWG. insulated wire and accessories ..	,,	4
5	Supplying, fixing and wiring at W. board, 4′-6″×2′×1″ with 2″ battens and rear board enclosed in a box of compressed cement asbestos ⅜″ thick mounted in a niche with panelled ground glass shutter, 6 lever Aligarh lock and key complete and equipped with (*a*) one 15 Amp. D.P.S.T. iron clad switch with fuse arrangement (for lighting main), (*b*) two 10 Amp. D. P. S. T. iron clad switches with fuse arrangements (for lighting Distribution) and (*c*) one 30 Amp. D. P. S. T. iron clad switch with fuse arrangement (for heating) using No. 7/.036 SWG. and 7/.064 SWG. insulated wire and accessories	No.	1
6	Earthing cable armouring metal clad switches, conduits, etc.	L. S.	
	Part II—Lighting outlets.		
1	Supplying, fixing and wiring for lighting outlets in ¾″ heavy gauge welded conduit embeded in the wall with flush mounting junction boxes, bends, elbows, inspection boxes, etc., using 5 Amp. flush type control switch with plate cream finish using No. 7/.029 SWG. and 3/.036- SWG. insulated wire for mains and taps respectively and accessories ..	No.	7
2	Do do for ceiling fan and lighting outlets complete with suspension clamp, 3 plate bakelite C. R. cream finish hook T. W. Block for regulator 5 amp. control switch, etc., as above	,,	2
3	Wall receptacles complete with five flush type wall plug with nipple controlled by 5 amp. flush type switch as above	,,	8
	Part III—Heating.		
1	Supplying, fixing and wiring in 1″ welded conduit for heating outlets, embeded in the wall complete with necessary flush type inspection boxes T's etc., and 15 amp. 230 volts, 3 pin interlocking type sockets and plugs, flush type complete with C. I. Box and protected by a pair of 15 Amp. fuses all mounted flush with the wall using 7/.064 SWG. insulated wire and accessories	No.	2
	Part IV—Lighting Fixtures.		
1	Supplying and fixing flange type B. C. lamp holders all nickel plated complete with 10″×5″ green and white opal shade 60 watts, 230 volts, B. C. frosted lamps and accessories	,,	5
2	Do do for brass pendents ⅝″ 2 to 3 feet long holder, ceiling plan all nickel plated, complete with 10″×5″ white opal shade, 60 watts, 230 volts B. C. frosted lamp and accessories	,,	2
3	Do do ceiling fans 3 or 4 blades 56″ sweep 60 cycles, 230 volts, 5 speeds and off position hollow spindle complete with 3 to 4 ft. down rod wall mounted regulator equipped with a lighting unit complete with 10″ white opal round domes nickel plated metal gallery and 150 watts, 230 volts, B. C. lamp	,,	2

Sl. No.	Particulars	Unit	Quantity
	Part V.		
1	Supplying one water boiler 20 gallon capacity non-pressure type with internal container, tinned copper of 2,000 watts capacity, 230 volts ..	No.	1
2	Erecting and wiring the above boiler with necessary accessories ..	Item	..
	N.B.—The manufacture of the boiler offered with clear specification should be noted.		

Notification dated 20th February 1940.

1. Sealed tenders in triplicate will be received at the Office of the Superintendent, Power and Lighting, Mysore, superscribed with the name of the work noted below.

2. A sum of Rs. 50 (Rupees Fifty) only is required to be sent along with the tender in cash or currency being the earnest deposit. Tenders not accompanied with the said deposit will not be accepted.

3. The plans connected with the work may be seen at the office of the undersigned at all working hours. The same will be made available on payment of Rs. 3 per set.

4. The tenders should be drawn up strictly in conformity with the specifications furnished writing out the rate at which each item of work will be executed in figures as well as in words, failing which no cognisance will be taken of the tender. No items other than those noted in the statement should be included, as the items cover provision for all sundries that are necessary for the execution of the work to meet with the requirements of the department including necessary repairs, painting the exterior of the casing to suit the colour wash.

The Firms dealing in Pumping Sets.

Enquiry No. 3929.

PUMPING SET FOR MANDYA WATER SUPPLY.

GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for an Electric Pumping set of the specification given below :—

Specification for the pumping unit required for Mandya Water Works.

One—horizontal split casing pump having phosphor bronze impeller with renewable neck rings, end sleeves, etc., capable of discharging 160 imperial gallons per minute against a head of 130 ft. from all causes. The pump should admit a flexible range of operations between 100 ft. and 130 ft. head without undue heating effects on motor and working troubles in the pump, such as end thrusts, etc. The pump shaft should be made of high class nickle or chrome steel of non-rusting quality. The bearings should be of ball and roller type having been fitted up with grease nozzles to admit grease being gunned while running. One end of the shaft to be fitted up with flexible coupling suitable to be coupled to an induction motor mounted on common bed plate.

The following accessories should be included in the quotation :—

(1) Foot valve and strainer (metal face type).
(2) One sluice valve Glenfield and Kennedy make.
(3) One non-return valve do
(4) One set of neck rings and end sleeves, etc., complete.
(5) One set of roller and ball bearings.
(6) One set of glands.
(7) One Grease gun
(8) Pressure and vacuum gauges with operating cocks.
(9) One set of set spanners.
(10) One spare impeller.

One—Induction Motor drip proof quality to drive the above pump to run on 220 volt. 25 cycle, 3 phase A. C. current, mounted on common cast iron bed plate and coupled to the above pump with a flexible coupling. It should comprise of one oil immersed starter having cover and novoltage relays.

One—suitable ammeter and one three through switch with fuse arrangements have to be provided for in the quotation.

One—panel board of marble type to take in the above fittings having enough room for admitting kilowatt hour meter also should be included in the quotation.

The following accessories to be provided for :—

(1) One set of ball and roller bearings to motor.
(2) One set of finger contacts to the starter.
(3) One set of overload and no voltage coils.
(4) One set of rubber bushes for flexible couplings.
(5) One drum of transformer oil for the first charge of oil switch gear.
(6) One set of set spanners.
(7) One set of foundation bolts for the common bed plate.
(8) One spare stator to be quoted for separately as spare outfit.
(9) One set of copper finger contacts for the starter to be quoted for separately as spare outfit.

Your quotation should be for delivery, f.o.r., Mandya, Bangalore-Mysore Line.

It should be distinctly understood that the acceptance by us of our quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellation of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Pumping Set for Mandya Water Supply" with the above enquiry number.

This enquiry will be closed on the 26th April 1940.

No. S. P. C. 28518-28, *dated 26th February* 1940.

Notification No. 4665—*C. R. B.* 67-39-1, *dated 12th February* 1940.

Applications in the form prescribed by the Central Recruitment Board are hereby invited from both Brahmin and Backward community candidates with a minimum General qualification of S.S.L.C. and also a pass in the Draughtsman's examination or the Sub-Overseer's examination from the School of Engineering, for issuing supplemental lists for Assistant Draughtsmen and Tracers, in accordance with the revised rules of Recruitment, issued with Government Order No. 6-105—C. R. B. 1-34-1, dated the 3rd July 1934 and published in Part I of the *Mysore Gazette*, dated the 5th July 1934.

1. The candidates must be Mysoreans by birth or domicile. Where an applicant claims to be a domiciled Mysorean, a certificate from a Gazetted Officer of the Mysore Service showing the grounds for the claim of domicile should be enclosed.

2. *Age limit.*—The maximum age of entry into service will be 25 years in the case of Brahmin candidates and 28 years in the case of Backward community candidates.

3. *Departmental tests.*—In addition to the general educational qualifications specified above, candidates may be required to pass such departmental tests as may be prescribed by Government from time to time.

4. As vacancies occur, the appointments will be made from the approved lists according to the relative order of mention therein of the names of candidates.

5. The appointed candidate will be started as Probationer in the Unit of recruitment and will, on the cessation of the temporary or acting vacancy in which he is appointed, be as far as possible, continued and provided in other vacancies of the same class, till he is finally absorbed. He will ordinarily start at the bottom of service in the class to which he is appointed and will be on probation for a period of one year from the date on which he joins duty.

6. Intending candidates should submit their applications in duplicate in the prescribed form together with copies of testimonials, etc., so as to reach the undersigned on or before the 10th March 1940.

7. No notice will be taken of applications that are not in response to this Notification or are received after the due date or are not submitted in the prescribed form or do not furnish all the particulars required in various columns of the form.

8. Candidates who are already holding permanent or acting appointments and candidates whose names have already been assigned to some units must not apply.

9. Severe notice will be taken of the candidates who give false information.

By Order,
K. THIPPERUDRIAH,
Secretary,
Central Recruitment Board.

MISCELLANEOUS DEPARTMENTS.

DEPARTMENT OF HORTICULTURE, LAL-BAGH, BANGALORE.

Notification dated 24th February 1940.

IMPORTATION OF FRUIT PLANTS FROM AUSTRALIA.

Arrangements will be made to import fruit plants from Australia. Those who desire to order for plants are requested to apply to the undersigned before the end of March 1940. The list of plants usually imported may be had on application.

2. All sales are made subject to the following conditions of the sale of the firm :—

> "We believe that all trees and plants sold by us are of the description and kind specified at the time of sale. Where reasonable proof is given that plants have been wrongly named, we will refund the original purchase money or correct the mistake by new plants ; but we give no warranty, expressed or implied, as to their growth, description, quality or productiveness and will not be in any way responsible for the crop, as those factors are governed by forces beyond our control."

3. The full value of the plants required, together with 50 per cent of the cost of plants towards freight, duty, etc., should be sent with the order for plants. The final bill including all costs will be sent after the actual charges are ascertained.

4. The name and address as also the Railway Station to which the consignment has to be sent should be very clearly stated.

5. The plants are expected to arrive about the month of July 1940.

6. Any other information required may be had from this Office.

H. C. JAVARAYA,
Superintendent.

GOVERNMENT OF MYSORE—ELECTRICAL DEPARTMENT.

OFFICE OF THE SUPERINTENDENT, BANGALORE POWER AND LIGHTING, BANGALORE.

Notice dated 26th February 1940.

1. Sealed tenders in triplicate will be received at the Office of the Superintendent, Bangalore Power and Lighting, Bangalore, and the same should be superscribed with the name of the work given below.

2. The plans, detailed estimates and conditions may be obtained at the office of the undersigned at all working hours.

3. The tenders should be in the form of a statement as given below showing rates, in figures and in words, at which the different items specified will be executed.

4. The tenders may be rejected or accepted in full or in part without any reasons being assigned therefor.

5. The name of the successful tenderer will be posted on the Notice Board in the Office of the Superintendent, Power and Lighting, Bangalore. No enquiries regarding the acceptance or rejection of a tender will receive any reply. The earnest money of rejected tenders will be returned.

6. Within three days of the acceptance of the tender, the successful tenderer will be required to execute the usual contract bond, failing which his tender will be considered cancelled and the earnest money will be forfeited.

7. The materials to be used should be of the best make and conform to the requirements of the Departmental rules and B.E.S.A. and A.I.E.E. specifications. Samples should be sent with tenders. When the samples are sent, mention should be made of manufacturers' or makers' catalogue.

8. *Name of work.*—"Electrification of Government Stud Farm, Kunigal."

9. *Last date and time of receiving tender.*—14th March 1940.

10. *Time and date of opening of tenders in public.*—4 P.M. on 14th March 1940.

11. *Earnest money required with tender.*—Rs. 200 and Rs. 200 after acceptance of tender.

12. *Time for completing the work from date of accepting the tender.*—Twenty days.

13. *Details of work to be executed.*—As per details given below.

N.B.—Any slight alteration while the work is under progress will have to be carried out with no extra cost.

Abstract Tender for the electrification of the Government Stud Farm at Kunigal.

Sl. No.	Particulars	Amount
	Part I.	
1	Providing electric lights to the Bungalow of the Superintendent, Government Stud Farm, Kunigal	
	Part II.	
2	Providing electric lights to the Military Bungalow, Kitchen and Bidadi at Kunigal..	
	Part III.	
3	Providing electric lights to the Veterinary Officers' the quarters at Government Stud Farm, Kunigal	
	Part IV.	
4	Providing electric lights to stallion boxes, foaling boxes, veterinary hospital and Stud Farm offices at the Government Stud Farm, Kunigal	
	Part V.	
5	Installing three 1 H.P. pumping set for the wells in the Government Stud Farm, Kunigal	
	Total ..	

PART I.

Tender for providing electric lights to the Bungalow of the Superintendent, Government Stud Farm, Kunigal.

Sl. No.	Names of materials, etc.	Unit	Quantity	Rate	Amount
1	Supplying and erecting S. M. rail 24 ft. long, 41¼ lb. section tarred complete	No.	3		
2	Supplying and fixing a 2-pin D.C.A. with white insulators and pins, bolts and nuts, clamps, etc., complete (1 to go on Government Baliga pole and 1 on the consumer's S. M. Rail)	Sets	2		
3	Supplying and fixing a 2-pin S.E.A. with shackle insulations for the consumer's rails near godown and Motor garages	"	2		
4	Supplying and fixing a 2-pin outrigger with shackle, insulators, etc., complete at the Superintendent's bungalow	Set	1		
5	Supplying and fixing guy sets with ⅜", 7 strands, galvanised iron wire, complete	Sets	3		

Sl. No.	Names of materials, etc.	Unit	Quantity	Rate	Amount
6	Supplying and running overhead mains using No. 6 B. & S. bare copper wire (2 wires) from Government pole to S. M. rail near lamp rooms from outrigger at the Superintendent's Quarters to the godown and from there to the garage	Ft.	300		
7	Supplying and running mains in ¾″ braized conduit, using No. 10 B. & S. insulated wire for 600 volts, 2,500 M. G. grade from consumer's rail to the meter board inside the lamp room with necessary bends, collars, etc., complete	R.ft.	15		
8	Supplying and running sub-mains in ⅝″ braized conduit using No. 14 B. & S. insulated wire for 600 volts, 2,500 M. G. grade with bends, collars, etc., complete, from the consumers rail to the distribution boards in the godown and garages	,,	30		
9	Supplying and running sub-mains in ⅝″ braized conduit using No. 12 B. & S. V.I.R. wire for 600 volts, 2,500 M.G. grade from e the teakwood meter board at the lamp room to the distribution board in the children's room (the wire to be enclosed in suitable pipe when crossing from the meter room to the children's room)	,,	70		
10	Supplying and fixing teakwood meter board (inside lamp room 2′×1½′×3″ mounted with one of 30 amps. and 2 of 15 amps. D. P. S. T. iron clad switches with fuse arrangements and wired, complete	Set	1		
11	Supplying and fixing teakwood distribution board 2½′×1½′×3″ mounted with two of 10 amps. D. P. ironclad switches with fuses for circuit mains, to be fixed in children's room	,,	1		
12	Supplying and fixing a teakwood distribution board 1½′×1′×3″ mounted with one of 10 amps. D. P. ironclad switch with fuses in the lamp room by the side of the lighting meter board for a refrigerator circuit, tapping, from the lighting mains for the circuit	Set	1		
13	Supplying, and fixing teakwood distribution boards 9″×6″×1½″ with a 10 amps. D.P.S.T. ironclad switch wired complete (one at godown and the other at garage lighting)	No.	2		
14	Supplying and fixing a D.P.S.T. ironclad switch on a teakwood board 9″×6″×1½″ in the main bungalow and wiring and connecting up to the consumer's overhead mains near the outrigger using No. 14 B. & S. insulated wire for 600 volts, 2,500 M. G. grade in ⅝″ braized conduit pipe	,,	1		
15	Supplying and wiring in 2″×1″ teakwood casing with capping coated with 2 coats of shellac varnish using No. 14 B. & S. insulated wire, for 600 volts, 2,500 M. G. grade for lighting outlets and using suitable wrought iron pipe for running the circuit wires from the lamp room to the children's room (circuit mains should be No. 12 B. & S. wire)	,,	35		
16	Supplying and wiring for controlling switches with reinforced bakelite cream coloured tumbler switches, etc., complete	,,	35		
17	Supplying and wiring for wall plugs with a 5 amps., bakelite cream coloured wall plug with switch combined, etc., complete	,,	7		
18	Supplying and wiring for ceiling fans and wall type regulators complete	,,	1		
19	Supplying, fixing and wiring:				
	(a) ⅝″ rigid iron pendants 3–8′ long with B. C. lamp holder and back plate, complete	,,	11		
	(b) Bracket, oxidized silver colour glass panels tinted amber, rose or light mauve for one 60 watts pearl lamp width 7″, depth 12″. (Details of make, Cat. No., etc., should be given)	,,	8		
	(c) ⅝″ brass bracket 6″ long heavy pattern with B. C. lamp-holder	,,	11		

Sl. No.	Names of materials, etc.	Unit	Quantity	Rate	Amount
	(*d*) Bulk-head fitting complete with B. B. lamp-holder	No.	1		
	(*e*) Water tight fitting complete with dome B. C. lamp holders, etc. complete	,,	1		
	(*f*) Ceiling roses 5 amp. Porcelain with necessary length of silk cord	,,	3		
	(*g*) Shades tin enamelled 9″	,,	8		
	(*h*) Longham shade 9″	,,	17		
	(*i*) B.C.C.G. lamp-holders $\frac{5}{8}$″ bakelite	,,	3		
	(*j*) Lamp M.F.B.C. 250 volts, 40 to 60 watts Pearl type (Mysore lamps)	,,	35		
	(*k*) Ceiling fans (approved best quality) 220 to 230 volts, 25 cycles, 52 to 60″ sweep four blades white brown or green finish with down-rod clamp canopy 3 speed regulators, etc. complete, fixed 9 ft. above the ground (Details of make, Cat. No., etc. should be given)	,,	1		
	(*l*) Table fan 220-230 volts, 25 cycles, 12″ sweep, 3 speed, 4 blades guarded on the front side (Details of make and Cat. No., etc., should be given)	,,	1		
20	Masonry patching and colour washing and white-washing, etc.	L. S.	..		
21	Grounding pipes and iron-clad switches, etc., complete	,,	..		
	Part I Total ..				

PART II.

Tender for providing electric lights to the Military Bungalow Kitchen and Bidadi, etc., at Kunigal.

1	Supplying and erecting S. M. rail 24′ long, 41$\frac{1}{4}$ lb. section (tarred complete)	No.	4		
2	Supplying and fixing 2-pin D.C.A. with bolts, nuts, clamps, white insulators and pins complete (1 to go on Baliga pole and 3 to go on S. M. Rail) ..	Sets	4		
3	Supplying and fixing 2-pin S.C.A. with bolts, nuts, clamps, white insulators and pins complete (1 to go on Baliga pole and 3 to go on S. M. Rail)	Set	1		
4	Supplying and fixing 2-pin outrigger with shackle insulators I bolts, etc., complete (1 to be fixed on the Military Kitchen and other at Military Bungalow)..	Sets	2		
5	Supplying and fixing guy sets with $\frac{5}{8}$″ and 7 strand guy wire, complete	,,	2		
6	Supplying and running over-head mains using No. 6 B. & S. bare copper wire (2 wires) from the Government pole to the consumer's rail near the Military kitchen and from there to Military Bungalow, Bidadi	R.ft.	500		
7	Supplying and running mains in $\frac{3}{4}$″ braized conduit using No. 10 B. & S. insulated wire for 600-V, 2,500 M. G. with bends, collar, etc., complete from the consumer's rail to the distribution board in the Military Kitchen	,,	20		
8	Do do in $\frac{5}{8}$″ braized conduit using No. 12 B. & S. insulated wire for 600 volts, 2,500 M. G. with bends, collar, etc., complete from the circuit switches on the meter board to the overhead lines leading to Military bungalow and from consumer's outrigger to the distribution board in the Military bungalow and from the kitchen to the rail behind it from the rail as far as the distribution board inside Bidadi	,,	60		
9	Supplying and fixing in 2″×1″ teakwood casing with capping coated with 2 coats of shellac varnish using No. 14 B. & S. insulated wire for 600-v, 2,500 M. G. for sub-mains to feed the lights at Bidadi from the meter board as far as the one end of the kitchen..	,,	60		
10	Supplying and fixing and wiring a teakwood meter box 2$\frac{1}{2}$′×2′×3″ with glass front and locking arrangement mounted with two of 15 amps. and two of 10 amps. D.P.S.T. iron-clad switches with fuse arrangements, etc., complete	Set	1		

Sl. No.	Names of materials, etc.	Unit	Quantity	Rate	Amount
11	Supplying and fixing sub-distribution boards 1′×1½′×3″ and mounted with 2 of 10 amps. D. P. S. T. iron-clad switches with fuse arrangement wired complete (for Military bungalow)	Set	1		
12	Do do 9″×6″×1½″ mounted with 1 of 10 amps. D.P.S.T. iron-clad switch with fuse arrangements and wired complete (for Bidadi) ..	,,	1		
13	Supplying and fixing 2″×1″ teakwood casing with capping coated with 2 coats of shellac varnish using No. 14 B. & S. insulated wire for 600-V, 2,500 M. G. for lighting outlets. (The mains should be No. 12 B. & S. insulated wire)..	No.	26		
14	Do do for controlling switches with 5 amps. reinforced bakelite cream coloured switches complete	,,	26		
15	Do do for a wall plug with a 5 amps. bakelite cream coloured face entry wall plug and switch combined complete	,,	1		
16	Supplying, fixing and wiring :—				
	(a) ⅝″×3′—8 rigid iron pendant with lampholder with back plate complete	No.	17		
	(b) Ceiling roses 5 amps. porcelain with necessary length of silk cord	,,	8		
	(c) Shade longham 9″	,,	11		
	(d) Tin enamelled shades 9″	,,	15		
	(e) Brass bracket ⅝″ with lampholder	,,	1		
	(f) B.C.C.G. lampholder	,,	8		
	(g) Lamps M.F.B.C. 250 volts, 40 to 60 watts (Mysore Lamps)	,,	26		
17	Masonry, patching and colouring, etc., complete ..	L. S.	..		
18	Grounding the iron-clad switches	,,			
	Part II Total ..				

PART III.

Tender for providing electric lights to the Veterinary Officer's Quarters at Government Stud Farm, Kunigal.

1	Supplying and erecting S. M. Rail 24 ft. long, 41¼ lbs. section complete (tarred)	No.	1		
2	Supplying and fixing 2-pin D.C.A. with insulators and pins, bolts and nuts, etc., complete (1 to go on Government Baliga pole and another to go on consumer's S. M. rail)	Sets	2		
3	Supplying and fixing guy sets with 7 strands ⅜″ guy wire	,,	1		
4	Supplying and running over-head mains using No. 6 B. & S. bare copper wire (2 wires) from Government pole to consumer's pole	R.ft.	120		
5	Supplying and running mains in ⅝″ braized conduit pipe from the consumer's pole to meter board using No. 12 B. & S. insulated wire for 600 V, 2,500 M. G...	,,	15		
6	Supplying and fixing a teak wood meter board 2′×1¼′×3″ mounted with 1 of 15 amps. and 2 of 10 amps. D.P.S.T. iron clad switch with fuse arrangements, wired complete	Set	1		
7	Supplying and fixing 2″×1″ teakwood casing with capping coated with 2 coats of shellac varnish using No. 14 B. & S. insulated wire for 6,000 volts, 2,500 M. G. for lighting outlets (circuit mains should be No. 12 B. & S. insulated wire)	No.	13		
8	Do do for controlling switches with 5 amps. bakelite reinforced cream coloured tumbler switches complete	,,	13		
9	Do do for wall plugs with 5 amps. bakelite cream coloured face entry wall plugs switch combined complete	,,	2		

Sl. No.	Names of materials, etc.	Unit	Quantity	Rate	Amount
10	Supplying, fixing and wiring :—				
	(a) $\frac{5}{8}''$ rigid iron pendants 3′ to 8′ long with B. C. lamp-holder and brass back-plate complete	No.	7		
	(b) $\frac{5}{8}''$ brass brackets heavy pattern 6″ long with B. C. lamp-holder, etc., complete	,,	4		
	(c) Water-tight fitting with glass dome B. C. lamp-holder, etc. (superior quality)	,,	1		
	(d) Batten lamp-holder B. C. $\frac{5}{8}''$	,,	1		
	(e) Shade Longham 9	,,	1		
	(f) Tin enamelled shades 9″	,,	6		
	(g) Lamp M. F. B. C. 250-v., 40 to 60 watts (Mysore Lamps)	,,	13		
11	Masonry, patching and colour-washing, etc.	L. S.	..		
12	Grounding pipes and iron-clad switches	,,	..		
	Part III Total..				

PART IV.

Tender for providing electric lights to Stallion boxes, foaling boxes, Veterinary Hospital and Stud Farm Offices at Government Stud Farm, Kunigal.

	Stallion Boxes.				
1	Supplying and running mains in $\frac{5}{8}''$ braized conduit pipe using No. 12 B. & S. insulated wire for 600 volts, 2,500 M.G. from Government pole to the distribution board	R.ft.	15		
2	Supplying and fixing a teakwood distribution board $1\frac{1}{2}' \times 1' \times 3''$ with one of 15 amps. D.P. iron-clad switch with fuses complete	No.	1		
3	Supplying and wiring in $2'' \times 1''$ teakwood casing and capping with 2 coats of shellac varnish using No. 14 B. & S. insulated wire for 600 volts, 2,500 M.G. for lighting outlet	,,	4		
4	Do do for controlling switches with 5 amps. bakelite tumbler switch complete ..	,,	4		
5	Supplying, fixing and wiring—				
	(a) $\frac{5}{8}''$ brass brackets 9″ heavy pattern with B.C. holders	,,	4		
	(b) Longham shades 9″	,,	4		
	(c) Lamps M.F.B.C. 250 volts, 60 W. (Mysore Lamps)	,,	4		
6	Masonry patching and colour-washing	L. S.	..		
7	Grounding, switches and pipes	,,	..		
	Total ..				..
	Foaling boxes.				
1	Supplying and running mains in $\frac{5}{8}''$ braized conduit pipe using No. 12 B. & S. insulated wire for 600 volts, 2,500 M.G. from Government pole to the meter board with bends, collars, etc.	R.ft.	30		
2	Supplying and fixing a teakwood meter board $1\frac{1}{2}' \times 1' \times 3''$ mounted with a 10 amp. D.P.S.T. iron-clad switch wired complete	No.	1		
3	Supplying and wiring in $2'' \times 1''$ teakwood casing and capping coated with 2 coats shellac varnish using No. 14 B. & S. wire insulated for 600 volts, 2,500 M.G. for lighting outlets	,,	2		
4	Do do for controlling switch with a 5 amps. bakelite reinforced tumbler switch complete	,,	2		
5	Supplying, fixing and wiring—				
	(a) $\frac{5}{8}'' \times 6'$—8′ rigid iron pendant with back plate and B.C. holder complete	,,	2		
	(b) Dispersive industrial fitting complete 12″ ..	,,	2		
	(c) Lamps, M.F.B.C. 250 volts, 150 watts (pearl type) (Mysore Lamps)	,,	2		
6	Masonry patching and coloured-washing	L. S.	..		
7	Grounding iron-clad switches	,,	..		
	Total ..				..

Sl. No.	Names of materials, etc.	Unit	Quantity	Rate	Amount
	Veterinary Hospital.				
1	Supplying and running mains in $\frac{5}{8}''$ braized conduit pipe using No. 12 B. & S. insulated wire for 600 volts, 2,500 M.G. from Government pole to the meter board with bends, collars, etc., complete	R.ft.	15		
2	Supplying and fixing a teakwood meter board $1\frac{1}{2}' \times 1' \times 3''$ mounted with a 10 amps. D.P.S.T. iron-clad switch wired complete	No.	1		
3	Supplying and wiring in $2'' \times 1''$ teakwood casing and capping coated with 2 coats of shellac varnish using No. 14 B. & S. wire insulated for 600 volts, 2,500 M.G. for lighting outlets	,,	2		
4	Do do for controlling switches with a 5 amps. bakelite reinforced switch complete ..	,,	2		
5	Supplying, fixing and wiring—				
	(*a*) $\frac{5}{8}'' \times 6'$—8′ rigid iron pendant with back plate and B.C. holder complete	,,	1		
	(*b*) $\frac{5}{8}''$ brass brackets 6″ heavy pattern with B.C. lamp-holder complete	,,	1		
	(*c*) Shades opal white, 9″	,,	2		
	(*d*) Lamps, M.F.B.C. 250 volts, 60 watts (pearl type) (Mysore Lamps)	,,	2		
6	Masonry patching and colour-washing	L. S.	..		
7	Grounding iron-clad switches	,,	..		
	Total ..				..
	Stud-Farm Offices.				
1	Supplying and fixing a 2-pin D.C.A. with insulators and pins complete on baliga pole	Set	1		
2	Supplying and fixing a 2-pin outriggers with shackle insulators, etc., complete on the office wall ..	,,	1		
3	Supplying and running overhead mains using No. 8 B. & S. bare copper (2 wires) wire from the Government pole to the outriggers	R.ft.	40		
4	Do do mains in $\frac{5}{8}''$ braized conduit pipe using No. 12 B. & S. insulated wire for 600 volts, 2,500 M.G. from the outrigger to the distribution board with bands, collar, etc., complete ..	,,	15		
5	Supplying and fixing a teakwood meter board $1\frac{1}{2}' \times 1' \times 3''$ mounted with a 10 amps. D.P.S.T. iron-clad switch with fuse arrangement, etc., wired complete ..	Set	1		
6	Supplying and wiring in $2'' \times 1''$ teakwood casing with capping and coated with 2 coats of shellac varnish using No. 14 B. & S. insulated wire for 600 volts, 2,500 M.G. for lighting outlets	No.	2		
7	Do do for controlling switches complete with 5 amps. bakelite reinforced tumbler switches	,,	2		
8	Supplying, fixing and wiring—				
	(*a*) Ceiling roses porcelain 5 amps. with necessary length of silk cord	,,	2		
	(*b*) Shades opal white 9″	,,	2		
	(*c*) B.C.C.G. lamp-holders	,,	2		
	(*d*) Lamps M.F.B.C. 250 volts, 60 watts (Mysore Lamps)	,,	2		
9	Masonry and patching and colour-washing	L. S.	..		
10	Grounding pipes and iron-clad switches	,,	..		
	Total ..				

PART V.

Tender for installing three 1 H.P. pumping sets (one for each well) at Government Stud Farm, Kunigal.

Sl. No.	Names of materials, etc.	Unit	Quantity	Rate	Amount
	Supplying and running mains and wiring the motor using No. 12 B. & S. insulated wire for 600 volts, 2,500 M.G. in ¾″ G.I. pipe from the Government pole to the meter board and from there to the motor inside the well (for all the 3 wells). The pipe should be rigidly fixed to the stone lining of the well ..	R.ft.	200		
2	Supplying and fixing teakwood meter board 2′×2¼′×3″ mounted with 15 amps. T.P.S.T. iron-clad switch with fuses, starter for 1 H.P. motor, with a pilot lamp with fuses and controlling switches for the lamps, and wired complete	Sets	3		
3	Supplying 1 H.P. motor 220/230 V, 25 cycles, 3 phase, directly coupled to a centrifugal pump with a foot value strainer complete with bed plate and fixing the same on the steel girders inside the well at a depth of 30′—35′ below the ground level (the girders or railings available at the top of the well will be supplied by the department for fixing the same inside the well)	Sets	3		
4	Supplying and fixing 1½″ G.I. pipe for suction and delivery for the above pumping set with bends, flanges, etc., complete (for all the 3 wells)	R.ft.	180		
5	Grounding the motor bed plates, pipe, switches, etc., complete	Sets.	3		
	Total ..				..

C. R. GOWDA,
Superintendent.

PRIVATE ADVERTISEMENTS.

GOVERNMENT OF MYSORE, STORES PURCHASE COMMITTEE, BANGALORE.

No. S. P. C. 28358-70, *dated 27th February* 1940.

To

The Firms dealing in Electrodes.

Enquiry No. 3930.

ELECTRODES REQUIRED FOR THE CENTRAL INDUSTRIAL WORKSHOP.

Dear SIR/GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the undermentioned schedule in the form printed below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Electrodes" with the above enquiry number.

This enquiry will be closed on the 16th March 1940.

Schedule.

Item No.	Description of material offered	Quantity	Price quoted F. O. R.	Time of delivery
			Bangalore City.	
1	S.W.G. No. 10 gauge Electrodes	2,000 rods		
2	S.W.G. No. 12 gauge Electrodes	1,000 ,,		
3	S.W.G. No. 8 gauge Electrodes	1,000 ,,		

N.B.—The length in which the electrodes will be supplied and the type of electrodes offered should be clearly mentioned in the quotation.

Yours faithfully,

MIR SAFDAR HUSSAIN,

Secretary,

Stores Purchase Committee.

PUBLIC ADVERTISEMENTS

FOREST DEPARTMENT

TUMKUR DISTRICT.

Notification dated 26th February 1940.

It is hereby notified for the general information of the public that the undermentioned rejected Balgi poles received from the Chief Operator, Tumkur, and taken charge of by the Range Officer, Tumkur, as per details furnished below will be sold by the Range Officer, Tumkur Range, Tumkur, on the 25th March 1940 in the Range Forest Office.

No.	Locality	Kind	Length	Girth	C.ft.
316	Tumkur Range ..	Rejected Balgi poles ..	30′—2″	1′—9″	6
328	Do ..	Do do ..	30′—3″	1′—9″	6
311	Do ..	Do do ..	30′—2″	1′—8″	5
313	Do ..	Do do ..	30′—3″	1′—10″	6

1. The sale will commence at 2 P.M.

2. Each bidder is required to deposit Rs. 10, before he is permitted to bid, as earnest money with the officer conducting the sale. The deposit of the unsuccessful bidders will be returned after the close of the sale and the successful bidder shall pay the full sale amount immediately after the close of the sale and before removing the sold produce.

3. The officer conducting the sale reserves the right of accepting or rejecting the highest or any other bid without assigning any reason therefor.

4. The poles will be handed over to the purchaser after the confirmation of the sale.

5. In case of default of payment of the full purchase money immediately after conclusion of the sale, the poles will be resold at the risk of the original purchaser and any loss in the resale will be recovered from the original purchaser as an arrear of land revenue.

6. Interest at 6¼ per cent per annum will be charged on all the belated payments.

P. A. MOHAN RAM,
District Forest Officer.

HASSAN FOREST DIVISION.

Notification dated 18th February 1940.

ERRATUM.

It is hereby notified for the general information of the public that the auction sale of timber at Hassan Depot will be held on Wednesday the 12th March 1940 instead of on 5th March 1940 as notified as per notification dated 3rd February 1940 printed on pages 264-265, Part VI of the *Mysore Gazette*, dated 8th February 1940.

D. NARASIMHAMOORTHY RAO,

3. The applications should be in the form prescribed by the Central Recruitment Board, and should reach the undersigned on or before 1st April 1940.

4. These appointments are open to candidates of all communities.

G. SESHAGIRI RAO,
Superintending Engineer.

SHIMOGA DIVISION.

Abstract Notification dated 13th February 1940.

The attention of the public is drawn to the Notification, calling for tenders for restoring Balekoppa Doddakere, Major Tank, Register No. 120 of Kumsi Sub-Taluk, published in pages 378-379, Part VI of the *Mysore Gazette*, dated 22nd February 1940.

Tenders will be received by the Executive Engineer, Shimoga Division, up to 3 P.M. on 16th March 1940.

Earnest money required for the work is Rs. 235 which should be credited to the Treasury to "17 (*a*) P. W. Deposits" and chellan enclosed.

Abstract Notification dated 23rd February 1940.

The attention of the public is drawn to the notification calling for tenders for "constructing an Intermediate College at Shimoga" published in pages 438-441, Part VI of the *Mysore Gazette*, dated 29th February 1940.

Tenders will be received by the Executive Engineer, Shimoga Division, up to 3 P.M. on 18th March 1940.

Earnest money required for the work is Rs. 6,775 which should be credited to the Treasury to "17 (*a*) P. W. Deposits" and challan enclosed.

Notification dated 2nd March 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Shimoga Division, up to 3 P.M., on 23rd March 1940, for restoring Dorligodu Minor Tank, Reg. No. 570 of Hiresara Village, Tirthahalli Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1940.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Shimoga Division, between the hours of 11 A.M. and 5 P.M.

3. Tender should be submitted on printed forms which may be obtained from the Executive Engineer on payment of annas 4 for each form. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a treasury challan for Rs. 90 credited to Treasury under "17 (*a*) P. W. Deposits" as earnest money, and be superscribed "Tender for restoring Dorligodu Minor Tank, Reg. No. 570 of Heresara Village, Tirthahalli Taluk, in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

13. Chamundy brand cement should be used for the work.

14. A reserve of 5 per cent on the value of work done will be withheld from the bills towards the security deposit.

D. A. HUKERI,
Executive Engineer.

ANJANAPUR DIVISION.

Abstract Notification dated 23rd February 1940.

The attention of the public is drawn to the Notification calling for tenders for constructing a Circle 100 feet diameter at entrance to waste weir of Anjanapur Reservoir, Shikaripur Taluk, published on pages 441-442, Part VI of the *Mysore Gazette*, dated 29th February 1940.

2. The tenders will be received by the Executive Engineer upto 12 NOON on 1st April 1940.

3. The earnest money required for the work is Rs. 140 which should be credited to the Treasury to "17. (*a*) P. W. Deposits" and the relative chellan enclosed.

M. V. KRISHNASWAMY IYENGAR,
Executive Engineer.

KADUR DIVISION.

Abstract Notification dated 18th February 1940.

The attention of the public is invited to the Notification, published on pages 380-383, Part VI of the *Mysore Gazette*, dated 22nd February 1940, calling for tenders for the work of "constructing a row of shops in the compound of Sri Sringeri Mutt at Tarikere, Tarikere Taluk."

The last date of receipt of tender in this office is 9th March 1940.

Notification dated 25th February 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Kadur Division, Chikmagalur, up to 12 NOON on 16th March 1940, for constructing Dispensary Buildings at Bukkambudi, Tarikere Taluk.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Kadur Division, Chikmagalur, on payment of annas four per each form should be addressed to the Executive Engineer, Kadur Division, Chikmagalur, in a sealed cover and superscribed as "Tender for constructing Dispensary Buildings at Bukkambudi, Tarikere Taluk." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a deposit of Rs. 380 (rupees three hundred and eighty only) in cash or Government Promissory Notes or Mysore Government Bonds, duly endorsed at face value or market value, whichever is less, as earnest money. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on the date at the time of opening. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental schedule contract form, for the due fulfilment of the contract.

6. Failure to comply with the condition 5 above, or to agree to carry out the work in accordance with the specifications and agreements in force, will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Chikmagalur, on all working days between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page, noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the Contractor are only tentative and are liable to alterations, omissions, deductions or additions at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity whether higher or lower than those given in the enclosed schedule.

17. The work should be completed and handed over in a tidy condition to the Public Works Department by the end of June 1940, failing which, the Executive Engineer may, at his discretion, levy a penalty of Rs. 100 per day, which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. Chamundi brand cement must be used for the work.

23. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills, and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations, wherever and whenever necessary with his own pumping apparatus, including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary, provide for the same by insurance at the proper time.

Note—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

Abstract estimate for constructing Dispensary Buildings at Bukkambudy, Tarikere Taluk.

No.	Particulars	Unit	Rate	Quantity	Cost
	I. Dispensary Building with Emergency Ward.		Rs. a. p.		Rs.
1	Earthwork excavation for foundation in hard soil and filling in basement, watering, tamping, etc., complete	C.yd.	0 4 0	55	

No.	Items of work	Unit	Rate	Quantity	Cost
			Rs. a. p.		Rs.
2	Stone jelly concrete in lime mortar 1 : 2 for foundation	C.ft.	0 4 0	319	
3	Size stone in mud for foundation and basement with through bond stones at intervals of 6′ apart in every course and quoin dressing to basement	,,	0 4 0	1,135	
4	Supplying and fixing burnt stone slabs in lime mortar of 6″ thick, one line dressed for exposed faces, including joints for basement ..	S.ft.	0 10 0	348	
5	Burnt brick in lime mortar for superstructure ..	C.ft.	0 4 0	1,724	
6	Supplying and fixing T. W. doors of 3″×4″ frames, with 1¼″ thick ⅓ panelled and ⅔ glazed shutters with iron hinges, bolts, nuts, tower bolts, etc., complete as per approved design	S.ft.	1 12 0	28	
7	Supplying and fixing T. W. doors with frame of 3″×4″ with ledged shutters of 1¼″ thick with bolts, nuts, screws, etc., complete ..	,,	1 8 0	149·50

11	Cement plastering ½″ thick	Sqr.	8 0 0	..	

M. A. RAMANUJAM,
Executive Engineer.

CHITALDRUG DIVISION.

Abstract Notification dated 20th February 1940.

The attention of the public is invited to the Notification, calling for tenders for "Constructing Linemen's Quarters at Anagod and Vijapur on the Davangere-Chitaldrug Transmission Line, published in Part VI of the *Mysore Gazette*, dated 22nd February 1940 on pages 409-412.

The last date of tender is 9th March 1940 up to 3 P.M.

Notification dated 29th February 1940.

ERRATUM.

GAZETTE NOTIFICATION DATED 20TH FEBRUARY 1940, CALLING FOR TENDERS FOR CONSTRUCTING LINEMEN'S QUARTERS AT ANAGOD AND VIJAPUR ON DAVANGERE-CHITALDRUG TRANSMISSION LINE.

It is hereby notified for the information of the public that the period for completion of the above work noted in para 17 of the above notification should be read as "BY END OF JUNE 1940" instead of "BY END OF DECEMBER 1940".

B. TIRUMALACHAR,
Executive Engineer.

OFFICE OF THE EXECUTIVE ENGINEER, MARCONAHALLI RESERVOIR DIVISION, MARCONAHALLI.

Notification.

Notice is hereby given that sealed tenders will be received by the Executive Engineer for the supply of charcoal from Casuarina or of heavy type jungle wood of superior quality required for use on the charcoal lorry of this division. The tender will be in force for the period ending December 1940. An approximate quantity of 3 tons per month will be required but this quantity is not guaranteed. Tenders will be received on or before the 31st March 1940.

2. The charcoal should be properly burnt and well sieved so that no piece of less than 1″ lie over and should be free from dust and unburnt pieces. The pieces should be 2″ cubes.

3. The charcoal should be delivered at the stores of the Division Office on indents from the Executive Engineer within a week from the date of the receipt of the indent, from the Executive Engineer.

4. The supply to be in bags of 80 lbs. and the bags are returnable.

5. The rate quoted should be per ton exclusive of weight of empty bags.

6. Each tender must be accompanied by an earnest money of Rs. 25 which should be a Treasury Chellan for Rs. 25 for having credited this earnest money to "17 (*a*) P. W. Deposits, Marconahalli Reservoir Division", in any Government Treasury or cash to be paid at the office. The earnest money of the successful tenderer will be retained as security deposit for the due fulfilment of the contract. Such a deposit will not carry any interest. Tenders unaccompanied by earnest money will not be accepted.

Samples of the Charcoal to be supplied should be sent on or before the due date in small quantities of about 10 lbs.

An allowance of 2½ per cent will be made for dust and anything in excess of this percentage, will be deducted.

Tenders should be superscribed "Tenders for the supply of charcoal" from Casuarina or heavy type of junglewood, other than Mango, Basari, Ala, Hippe, the kind of hardwood to be specified in the tender.

The name of the successful tenderer, whose tender has been accepted will be intimated in due course. No enquiries regarding the acceptance or rejection of any tender will receive a reply.

On acceptance of one of the tenders, the earnest money of the rejected tenderers will be returned on surrendering the receipts granted therefor.

Failure to supply the required quantities from time to time, within the prescribed time limit will entail forfeiture of the earnest money and charcoal supplied should be in accordance with the samples received.

The decision of the Executive Engineer will be final in all matters.

M. NARASIMHIAH,
Executive Engineer.

MEDICAL DEPARTMENT.

MALLEGOWDA GENERAL HOSPITAL AND MATERNITY HOSPITAL, CHIKMAGALUR.

Abstract Notification.

The attention of the public is invited to the detailed Notification calling for tenders for the supply of Bedding and Clothing for the above Hospitals for the year 1939-40, published in pages 383-384 of Part VI of the *Mysore Gazette*, dated 22nd February 1940.

R. NAGENDRAN,
District Medical Officer,
Kadur District.

MISCELLANEOUS DEPARTMENTS.

OFFICE OF THE INSPECTOR-GENERAL OF POLICE IN MYSORE, BANGALORE.

Notice No. T. C. 295—37-38, *dated* 19*th November* 1937.

The public are hereby informed that an Avery's Weigh-bridge to weigh motor vehicles is erected in the Office of the Inspector-General of Police in Mysore, Cenotaph Road, Bangalore City, and that motor vehicles brought for weighment will be weighed on payment of a fee of Rs. 10 for each weighment. A certificate of weighment will invariably be issued with each weighment so made.

F. A. HAMILTON,
Inspector-General of Police.

OFFICE OF THE ASSISTANT DIRECTOR OF AGRICULTURE, BANGALORE CIRCLE, BANGALORE.

Notification dated 1st March 1940.

It is hereby notified that the mango crop on 158 trees of the Ramakrishna Krishisala at Kachanayakanhally, Anekal Taluk, will be sold by public auction at Anekal in front of the Agricultural Sub-Depot on the 30th March 1940 at 2 P.M. by the Head Master of the Sala and the highest bidder is requested to pay up the entire amount of his bid on the spot and make his own arrangements for removing the crop. In default, a resale will be held at his own risk and any loss sustained therefrom will be recovered from him as arrears of land revenue.

The auction sale should be confirmed by the Assistant Director, Bangalore Circle, Bangalore. The crop of trees other than the mango trees are solely reserved for the school. The person in whose favour the auction sale is confirmed should execute a bond with the Head Master, R. K. Sala, that he would not cut any trees for fuel or damage them in any manner.

B. DASAPPA,
Assistant Director.

GOVERNMENT OF MYSORE—ELECTRICAL DEPARTMENT.

OFFICE OF THE CHIEF ELECTRICAL ENGINEER IN MYSORE, BANGALORE.

Abstract Notification.

TOOLS REQUIRED FOR AUTOMATIC TELEPHONE.

Attention is drawn to this office Notification, dated 16th February 1940, inviting tenders for the above work, published in Part VI, pages 385-386 of the *Mysore Gazette*, dated 22nd February 1940. The last date of receiving tenders is 9th March 1940.

Abstract Notification dated 26th February 1940.

Attention is drawn to this office Notification, dated 26th February 1940, inviting tenders for No. 10 B.W.G. Galvanized Wire, published in Part VI, pages 444-445 of the *Mysore Gazette*, dated 29th February 1940. The last date of receiving tenders is 16th March 1940, 12 NOON.

Gazette Notification—G. N. 25, *dated 2nd March* 1940.

SALE OF NEW FLAT IRON M. S.

There is in stock at the C. P. S. Central Stores, near Electric "A" Station, Bangalore City, 388 lengths of brand NEW Flat Iron, mild steel, $3'' \times \frac{1}{2}''$, in standard lengths of 18 feet, which we are offering for sale, since they are not immediately required by the department.

Sealed tenders, therefore, will be received in the Office of the Chief Electrical Engineer up to 21st March 1940, 12 NOON, duly superscribed "Tender for purchase of Flat Iron, 21st March 1940, 12 NOON."

The tender will be settled in favour of the highest bidder, who will be required to pay the value of the material in this office in advance and take delivery of the same within three days of receipt of information of acceptance of tender.

The material may be inspected at the Central Stores on any working day. The Chief Electrical Engineer reserves the right to accept the highest or any tender without assigning any reason therefor and his decision in all cases of dispute shall be final. The quantity to be sold shall be restricted to what will be decided at the time of acceptance of sale.

In case the firm or individual in whose favour the tender is decided, fails to take delivery of the material within the stipulated time after receipt of intimation, the sale will be decided in favour of the second highest tenderer, the difference in the rates being recovered from the first successful tenderer.

The material offered shall be delivered Ex-Central Stores. The sale on this Notification shall be subject to the conditions ordinarily applicable therefor.

M. HAYATH,
For *Chief Electrical Engineer.*

OFFICE OF THE SUPERINTENDENT, BANGALORE POWER AND LIGHTING, BANGALORE.

Abstract Notification dated the 26th February 1940.

Executive Engineer.

DEPARTMENT OF HORTICULTURE, LAL-BAGH, BANGALORE.

Notification dated 24th February 1940.

IMPORTATION OF FRUIT PLANTS FROM AUSTRALIA.

Arrangements will be made to import fruit plants from Australia. Those who desire to order for plants are requested to apply to the undersigned before the end of March 1940. The list of plants usually imported may be had on application.

2. All sales are made subject to the following conditions of the sale of the firm :—

"We believe that all trees and plants sold by us are of the description and kind specified at the time of sale. Where reasonable proof is given that plants have been wrongly named, we will refund the original purchase money or correct the mistake by new plants ; but we give no warranty, expressed or implied, as to their growth, description, quality or productiveness and will not be in any way responsible for the crop, as those factors are governed by forces beyond our control."

3. The full value of the plants required, together with 50 per cent of the cost of plants towards freight, duty, etc., should be sent with the order for plants. The final bill including all costs will be sent after the actual charges are ascertained.

4. The name and address as also the Railway Station to which the consignment has to be sent should be very clearly stated.

5. The plants are expected to arrive about the month of July 1940.

6. Any other information required may be had from this Office.

H. C. JAVARAYA,
Superintendent.

The Firms dealing in Flags.

Enquiry No. 3941.

MYSORE FLAGS REQUIRED DURING THE YEAR 1940.

GENTLEMEN,

Please be good enough to intimate your best prices for Mysore Flags of sizes noted below :—

(1) Mysore Flag, size 9′-3″×6′-3″ of the approved pattern with a red woollen border. The size of the yellow ground on which the Mysore Insignia is printed should be 3′-6″× 3′-5½″.

(2) Mysore Flag, size 4½′×3′-1½″ of the approved pattern, usually supplied to the Educational Institutions with a red woollen border.

N.B.—The "*Mysore Insignia*" should be correctly and neatly printed on the yellow ground and the Sanskrit letters should be legibly and correctly inscribed.

Samples of Mysore Insignia printed on yellow ground with cuttings of bunting cloth you propose to use, should accompany your quotation.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

1. The prices to be quoted should be for delivery free on rails at any railway station in the State.

2. The Stores Purchase Committee do not guarantee the purchase of any definite number of flags.

3. The contract will be in force for one year from the date of order during the whole of which period the prices accepted herein should hold good.

4. All indents should be complied with within a fortnight from the date of their receipt.

5. No application for enhancement of the rates during the period of the contract due to any reason whatsoever will be considered.

6. Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specification will entail cancellation of the contract and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages.

The quotations should be superscribed "Quotations for Mysore Flags" and should reach this office on or before the 15th March 1940.

Yours faithfully,

MIR SAFDAR HUSSAIN,

Secretary,

Stores Purchase Committee.

CENTRAL RECRUITMENT BOARD.

FOREST DEPARTMENT.

BANGALORE DISTRICT.

Notification dated 2nd March 1940.

TENDER FOR THE RIGHT OF THE COLLECTION AND REMOVAL OF MANGO CROP, (*viz.*, FRUITS) IN THE NEW JARAKABANDE KAVAL (NILGIRI PAPANNA'S GARDEN) FOR 1940.

Sealed tenders for the right of the collection and removal of Mango crop of the year 1940, (*viz.*, fruits) in the New Jarakabande Kaval (Nilgiri Papanna's Garden) will be received at the Office of the District Forest Officer, Bangalore District, Seshadri Road, Bangalore City, by the District Forest Officer, Bangalore District, up to 3 P.M. on Monday the 1st April 1940.

2. The tenders should be superscribed "Tender for the right of collection and removal of Mango crop, (*viz.*, fruits) in the New Jarakabande Kaval."

3. No tender will be received unless accompanied by an earnest deposit of Rs. 100 in currency notes.

4. The exclusive right of the collection and removal of the produce will be disposed of to the highest tenderer subject to confirmation by the Chief Conservator of Forests in Mysore or the District Forest Officer, as th case may be, who, at his discretion, may accept or reject the highest or any other tender without assigning any reason therefor.

5. Within seven days from the date of receipt of the notice of the acceptance of the tender, the successful tenderer shall credit into the Government Treasury including the earnest deposit of Rs. 100 the total lease amount together with local cess at one anna and education cess at six pies per rupee calculated on the entire lease amount and produce the treasury receipt at the District Forest Office. In default, the acceptance of the tender will be cancelled, the earnest money forfeited and the right resold at the risk of the tenderer who will be liable to make good any loss that may result to Government thereby but will have no claim to any surplus accruing therefrom. Such loss shall be recoverable as an arrear of Land Revenue.

6. If the tender is not accepted, all moneys paid will be refunded to the party.

7. Within 15 days from the date of acceptance of the tender, the successful tenderer shall execute an agreement with one or more sureties to the satisfaction of the District Forest Officer on a stamped paper of the value of ten annas procured at his own cost and also furnish a security deposit of Rs. 200 or one-quarter of the leas amount, whichever is less, for the due fulfilment of the conditions of contracti in the shape of Government Savings Bank Deposit. In default, either to execute the agreement with the necessary sureties on to furnish the required security or both, the contract will be cancelled, all the moneys already paid forfeited to Government and the right resold at the defaulter's risk. He will have no claim to any surplus accruing from such resale but shall be liable for the loss arising therefrom which will be recovered as an arrear of Land Revenue under Section 79 of the Mysore Forest Act.

8. The other conditions to be entered in the agreement will be intimated at the time of the execution of the bond.

9. Interest at the rates in force will be charged on all belated payments.

P. KRISHNASWAMI RAO,
District Forest Officer.

ENGINEERING DEPARTMENT.

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Notification dated 4th March 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 P.M. on 18th March 1940, for the work of providing Sanitary fittings in the newly constructed latrine attached to the Agricultural Office, Bangalore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1940.

2. The plans, detailed estimate and conditions may be seen at the Sanitary Engineer's Office between the hours of 11 A.M. and 5 P.M. on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 10[illegible] in cash (no cheques will be accepted) as earnest money, and be superscribed "Tender for the work of providing Sanitary fittings in the newly constructed latrine attached to the Agricultural Office, Bangalore," in default of which the tenders will be rejected.

5. The final acceptance of the tender will rest with the Director of Public Health, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Sanitary Engineer will be final and legally binding.

Estimate of the approximate quantities for providing Sanitary Fittings in the newly constructed latrine attached to the Agricultural Office, Bangalore.

PUBLIC ADVERTISEMENTS

FOREST DEPARTMENT

BANGALORE DISTRICT.

Abstract Notification.

The attention of the public is invited to the detailed Notification dated 2nd March 1940, calling for tenders for the purchase of the right of collecting the Mango Crop of New Jarakabande Kaval (Nilgiri Papanna's Garden) in Bangalore Range for the year 1940, published on page 522, Part VI of the *Mysore Gazette*, dated 7th March 1940.

The last date for the receipt of tenders is Monday the 1st April 1940 up to 3 P.M.

P. KRISHNASWAMI RAO,
District Forest Officer.

TUMKUR DISTRICT.

Abstract Notification dated 26th January 1940.

The attention of the public is invited to the Notification regarding the sale of rejected balgi poles published on pages 485-486, Part VI of the *Mysore Gazette*, dated 7th March 1940.

P. A. MOHAN RAM,
District Forest Officer.

HASSAN DISTRICT.

Notification dated 8th March 1940.

SALE OF TIMBER.

The undermentioned quantities of timber will be sold by public auction under the following conditions at the following depot by the District Forest Officer, Hassan District (from 2 P.M. to 5 P.M.) on the date noted below :—

Sl. No.	Name of depot	Description of timber	Quantity	Place and date of sale
1	Konanur ..	Teak Butt pieces (4′ to 6′ in length).	More or less 250c. ft.	Konanur Depot on 29th March 1940.
		Lops and tops of teak ..	100 ,,	Do do
		Matti poles ..	100 ,,	Do do
		Honne ..	150 ,,	Do do

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale, but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber in small quantities, full value thereof will be accepted if tendered on the spot and the payment of deposit in such cases will not be insisted upon.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case is subject to the confirmation of the Conservator of Forests, Shimoga, and in other cases to that of the District Forest Officer.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government, and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Act. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value, where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of notice of confirmation of the sale. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

No extension of time will be given for the payment of any amount, but if any amount is permitted to be paid after the due date, interest will be charged thereon at 6¼ per cent per annum.

8. If the amount is not fully paid for by the purchaser before the date fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale, and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. The timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

D. NARASIMHAMOORTHY RAO,
District Forest Officer.

SHIMOGA FOREST DIVISION.

Abstract Notification dated 20th February 1940.

The attention of the public is invited to the detailed notification of date, regarding the Auction Sale of Tupra Leaves of Honnali Taluk, from the date of confirmation to end of June 1942, published on page 422, Part VI of the *Mysore Gazette*, dated 29th February 1940.

M. K. RAJAM IYENGAR,
Executive Engineer.

WATER SUPPLY DIVISION.

Notification dated 5th March 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Water Supply Division, Bangalore, on 1st April 1940 upto 3 P.M. for constructing R.C.C. tank of 1,50,000 gallons capacity in the newly formed extension, Subedar Chattram Road, Bangalore, as per specifications noted below. The work should be completed within three months from the date of acceptance of tender.

2. Tenders should be submitted along with printed specification form which may be obtained from the Executive Engineer, on a payment of Re. 0-4-0.

3. Each tender must be accompanied by a chellan for having credited to the Treasury a deposit amount of Rs. 750 (Rupees seven hundred and fifty only) under "17. (*a*) P. W. deposits," and be superscribed "Tender for constructing R.C.C. tank of 1,50,000 gallons capacity in the newly formed extension, Subedar Chattram Road, Bangalore City", in default of which tenders will be rejected.

4. The final acceptance of any tender will rest with the Executive Engineer who does not bind himsef to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within eight days of the acceptance of tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled and his earnest money will be forfeited.

6. The name of the successful competitor, whose tender has been accepted will be posted on the Notice Board in the Executive Engineer's office in due course. No enquiry regarding the acceptance or rejection of tender will receive any reply.

7. After accepting one of the tenders, the earnest money on rejected tenders will be returned.

8. Rates once tendered will not be enhanced on any account.

9. Rates for non-tendered and non-estimated items shall be those fixed by the Executive Engineer after working out data with not more than 10 per cent for Contractor's profit.

10. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurement, quality of work, etc., and in all disputes of any kind, the decision of the Executive Engineer, will be final and legally binding.

Specification.

(1) The tank should be circular in shape, 50′ outside diameter and 15′ high from the floor level. This is on the ground surface.

(2) The tank should be R.C.C. and the following factors shall be taken into consideration in the design to be adopted :—

(*a*) Tensile strength of steel bars 12,000 lb. per square inch.

(*b*) While calculating for the circular side walls full bursting pressure shall be considered.

(*c*) The proportion of mixture for all portions except the roof shall be 1 : 1½ : 3 and for the roofing it shall be 1 : 2 : 4.

(3) Suitable dust proof ventilators should be provided for in the roofing.

(4) The roofing shall be flat with two man-hole covers each 3′×3′ complete with mild steel lids, hinges, hasp and staple suitable for locking.

(5) One water level indicator complete with float gauge board pointer, flexible wire, guide pulleys, etc., shall be included in the tender.

(6) The outer surface of the side wall except the roofing and inside of the parapet should be finished with cream-coloured cement.

(7) *Nature of foundation.*—Gravel, with boulder out crops.

(8) All the pipe fittings will be supplied by the Department.

(9) A small parapet to the tank of suitable design should be provided for in the tender.

(10) No lumpsum quotations will be considered. Plans and estimates with detail drawings showing various reinforcements should accompany the tender. The estimate should give the quantities, rates and cost of each item. Any variation in the quantity will be paid for at the rates as per the detail estimate.

(11) Non-tendered items of work will be paid for after working out the data with not more than 10 per cent profit for the contractor.

(12) Cement to be used should be purchased through the Department.

M. K. NARASIMHA IYER,
Executive Engineer.

BANGALORE DIVISION.

Abstract Notification dated 24th February 1940.

The attention of the public is hereby invited to the detailed notification inviting sealed tenders for restoring Kayamgutta Kattariguppe Kannerkatte Minor Tank, Reg. No. 62 of Bangalore Taluk, published on pages 428-430, Part VI of the *Mysore Gazette*, dated 29th February 1940.

Executive Engineer.

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Abstract Notice dated 5th March 1940.

The attention of the public is invited to the notification calling for tenders for the work of "Providing Sanitary fittings in the newly constructed latrine attached to the Agricultural Office, Bangalore," published in Part VI, pages 522-524 of the *Mysore Gazette*, dated 7th March 1940.

The last date of receiving tenders is fixed on 18th March 1940.

Notification dated 4th March 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 P.M. on 19th March 1940, for the drainage work of the mode moats around the fort in Periyapatna Town to prevent breading of mosquitoes. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1940.

2. The plans, detailed estimate and conditions may be seen at the Sanitary Engineer's Office between the hours of 11 A.M. and 5 P.M. on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 150 in cash (no cheques will be accepted) as earnest money, and be superscribed "Tender for the drainage work of the mode moats around the fort in Periyapatna Town to prevent breading of mosquitoes in default of which the tenders will be rejected.

5. The final acceptance of the tender will rest with the Director of Public Health, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Sanitary Engineer will be final and legally binding.

Estimate for the approximate quantities for the drainage of moats around the fort in Periyapatna to prevent breeding of mosquitoes.

No.	Particulars	Unit	Quantity
1	Jungle clearing including removing of roots, etc., complete	Sq.yd.	31,991
2	Earthwork cutting and filling to depressions including a lead of one furlong	C.yd.	10,806
	CONSTRUCTION OF TUNNEL.		
3	Pitching with available boulders for the bed of the tunnel after conveyance	C.yd.	7
4	Construction of abutments with available stones in clay cut to required sizes including dismantling and conveying charges	C.ft.	333
5	Cement pointing the abutments	Sqr.	2·22
6	Covering the tunnel with 6" B.S. slabs, edges dressed and fixed	S.ft.	259
7	Cushion earth over tunnel	C.yd.	23
8	Rough stone revetment for wings (with available stones)	"	18
9	Constructing body wall with available stones in chunam mortar and joints pointed with cement	C.ft	375
10	Rough stone apron with available stones	C.yd.	9

K. S. HUTCHA RAO,
Sanitary Engineer.

KOLAR DIVISION.

Notification dated 30th January 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Kolar Division, up to 2 P.M. on 30th March 1940, for restoring Sulur Keggere Tank (unrestored minor) Reg. No. 214/743 in Kolar Taluk.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Kolar Division, should be addressed to the Executive Engineer, Kolar Division, in a sealed cover and superscribed as "Tender for restoring Sulur Keggere Tank (unrestored minor). The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a treasury chellan for earnest money of Rs. 225 paid to the treasury to the credit of "17 (*a*) P. W. Deposits" against the account of the Executive Engineer, Kolar Division. The earnest money of the successful tenderer will be retained as security for the due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 30th March 1940 at Kolar. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental schedule contract form, for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay specifications. A reserve of 5 per cent will be withheld in the work bills of the contractor and the same repaid after the due fulfilment of the contract.

6. Failure to comply with the condition 5 above, or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Kolar, on all working days between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same. When lumpsum provisions are shown in the schedule of quantities, the contractor will be paid at either his tendered rate for each item or the prevailing schedule of rates in the Division at the discretion of the Executive Engineer.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer, on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative and may be due to any reasons whatsoever. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of October 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 5 per day which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress, of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.

(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.

(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by Insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

N. B.– Copies of tenders in the prescribed form are obtainable from the office of the Executive Engineer, Kolar Division, Kolar, only on a payment of Re. 0–4–0 per form.

Executive Engineer.

TUMKUR DIVISION.

Abstract Notification dated 22nd February 1940.

The attention of the public is drawn to the Notification calling for tenders for increasing the capacity of Siddapur Major Tank, Reg. No. 3 of Madhugiri Taluk, published in pages 433-434 of Part VI, of the *Mysore Gazette*, dated 29th February 1940.

2. The tenders will be received by the Executive Engineer up to 2 P.M. on 18th March 1940.

3. The earnest money required for the work is Rs. 335 which should be credited to the Treasury to "17 (*a*) P. W. Deposits" and the relative chellan enclosed.

P. RAJAGOPALAN,
Executive Engineer.

MYSORE DIVISION.

Abstract Notification dated 25th February 1940.

The attention of the public is invited to the detailed notification dated 25th February 1940, published on pages 434-437, Part VI of the *Mysore Gazette*, dated 29th February 1940, regarding tenders for constructing a girder bridge across the Suvarnavati river near Chandakavadi at 3/6 of Hondrabal-Chamarajanagar Road, Chamarajnagar Taluk.

The last date for lodging of tender is 15th March 1940 up to 12 NOON.

S. RAMASWAMY,
Executive Engineer.

MANDYA DIVISION.

Notification dated 7th March 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Mandya Division, up to 12 NOON on 1st April 1940, for constructing one block of 4 line men's quarters at Maddur.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Mandya Division, on payment of annas four per form should be addressed to the Executive Engineer, Mandya Division, in a sealed cover and superscribed as "Tender for constructing one block of 4 line men's quarters at Maddur." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a deposit of Rs. 185 (in words) Rupees one hundred and eighty-five only paid to the Treasury to the credit of "17 (a) P. W. Deposits" against the account of Executive Engineer, Mandya Division. The earnest money of the successful tenderer will be retained as security deposit for the due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 1st April 1940 at Mandya Division. The final acceptance of the tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the Departmental Schedule Contract Form, for the due fulfilment of the contract, and for the execution of all items of work in accordauce with the Bombay specifications (1931), and also furnish a security deposit of Rs. 185 in addition to earnest money.

6. Failure to comply with the conditon 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Mandya, on all working days, between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumsump amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the Schedule are only approximate and the drawings shown to he contractor are only tentative and are liable to alterations, omissions, deductions or additions,

at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The work should be completed and handed over in a tidy condition to the Public Works Department by the end of June 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 5 (five) per day, which will ordinarily be calculated at 12 per cent per annum on the total ontlay as liquidate damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, meaurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary sacffolding, centering labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations, wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P. W. D. so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work, and he must take precaution against all risk of accidents and, if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

B. S. NARASINGA RAO,
Executive Engineer.

SHIMOGA DIVISION.

Abstract Notification dated 23rd February 1940.

The attention of the public is drawn to the notification calling for tenders for "constructing an Intermediate College at Shimoga" published in pages 438-441, Part VI of the *Mysore Gazette*, dated 29th February 1940.

Tenders will be received by the Executive Engineer, Shimoga Division, up to 3 P.M. on 18th March 1940.

Earnest money required for the work is Rs. 6,775 which should be credited to the Treasury to "17 (*a*) P. W. Deposits" and challan enclosed.

Abstract Notification dated 2nd March 1940.

The attention of the public is drawn to the notification calling for tenders for restoring Dorligodu Minor tank, Reg. No. 570 of Hiresara village, Tirthahally Taluk, published on pages 490-491, Part VI of the *Mysore Gazette*, dated 7th March 1940.

Tenders will be received by the Executive Engineer, Shimoga Division, up to 3 P.M. on Monday the 25th March 1940.

Earnest money required for the work is Rs. 90 which should be credited to the Treasury to "17 (*a*) P. W. Deposits" and challan enclosed.

Notification dated 8th March 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Shimoga Division, up to 3 P.M., on 30th March 1940, for improving Bhadravati-Holehonnur Road from 4 to 6 miles. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of February 1941.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Shimoga Division between the hours of 11 A.M. and 5 P.M.

3. Tender should be submitted on printed forms, which may be obtained from the Executive Engineer on payment of annas four for each form. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a Treasury chellan for Rs. 360, credited to "17 (a) P.W. deposits" as earnest money, and be superscribed "Tender for improving Bhadravati-Holehonnur road from 4 to 6 miles," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

13. Chamundy brand cement should be used for the area.

14. A reserve of 5 per cent on the value of work done will be withheld from the bills towards security deposit.

W. A. HUKERI,
Executive Engineer.

ANJANAPUR DIVISION.

Abstract Notification dated 23rd February 1940.

The attention of the public is drawn to the Notification calling for tenders for constructing a Circle 100 feet diameter at entrance to waste weir of Anjanapur Reservoir, Shikaripur Taluk, published on pages 441-442, Part VI of the *Mysore Gazette*, dated 29th February 1940.

2. The tenders will be received by the Executive Engineer upto 12 NOON on 1st April 1940.

3. The earnest money required for the work is Rs. 140 which should be credited to the Treasury to "17. (a) P. W. Deposits" and the relative chellan enclosed.

M. V. KRISHNASWAMY IYENGAR,
Executive Engineer.

KADUR DIVISION.

Abstract Notification dated 26th February 1940.

The attention of the public is invited to the Notification, published on pages 492-498, of Part VI of the *Mysore Gazette*, dated 7th March 1940 calling for tenders for the work of constructing Dispensary Buildings at Bukkambudi, Tarikere Taluk.

The last date of receipt of tender in this office is 16th March 1940.

M. A. RAMANUJAM,
Executive Engineer.

CHITALDRUG DIVISION.

Notification dated 5th March 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Chitaldrug Division, up to 3-30 P.M. on 26th March 1940, for widening the portion of Bangalore-Dharwar Road on Bathi Tank with straightening the curve in 3—16 th mile and constructing a pond in rear of Bathi Tank bund.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Chitaldrug Division, on payment of annas four each should be addressed to the Executive Engineer, Chitaldrug Division, in a sealed cover and superscribed as "Tender for the above work." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a Treasury chellan for having deposited to credit of "17(a) deposits" Rs. 130 (rupees one hundred and thirty only) in cash or Government Promissory Notes or Mysore Government Bonds, duly endorsed at face value or market value, whichever is less, as earnest money. The earnest money of the successful tenderer will be retained as security deposit for the due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 26th March 1940 at 4 P.M. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form, for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay Specifications (1931).

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force, will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Chitaldrug, on all working days between 11 A.M. and 5 P.M. and may be obtained from that officer on payment of Re. 0-1-0.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of July 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of rupees five only per day which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

23. Onl Chamundi Brand cement should be used. Minimum schedule rates will be paid as per measurements for L. S. Provisions.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.

(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.

(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.

(4) Arrange for protecting work during inclement weather.

(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.

(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.

(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.

(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, sump pits, etc.

(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.

(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

B. TIRUMALACHAR,
Executive Engineer.

MARCONAHALLI RESERVOIR DIVISION.

Abstract Notification dated 28th February 1940.

The attention of the public is invited to Notification calling for tenders for supply of charcoal required for use in Marconahalli Reservoir Division, published in page 499, Part VI of the *Mysore Gazette*, dated 7th March 1940. The last date for submission of tenders is 31st March 1940.

M. NARASIMHAIYA,
Executive Engineer.

OFFICE OF THE EXECUTIVE ENGINEER, WATER SUPPLY DIVISION, BANGALORE.

Notification

It is hereby notified for the information of the public that the serviceable and unserviceable articles of this division as per details noted below will be sold in public auction at the premises of the Water Supply Division Office, Seshadri Road, near Electric 'A' Station, Bangalore, on Saturday the 30th March 1940 between 9 A.M. and 12 NOON.

The materials may be inspected during the working days between 11 A.M. and 5 P.M.

Terms and Conditions of Sale.

1. The Executive Engineer is empowered to withold wholly or partly any item in the list from being auctioned at his discretion. The articles are open for auction, subject to being not used in the meantime by the Department.

2. The articles will be auctioned in lots and will be knocked down to the highest bidder and in the event of any dispute arising between two or more bidders at the same price, the articles shall be put up again for auction and resold.

3. The highest bidder whose offer is approved, shall pay 25 per cent of the sale amount at once and the balance should be paid in cash before taking delivery of the materials from the yard. The materials sold should be removed on the same day before 5 P.M. after full payment. If the value is small full payment shall be made at once.

4. In case of failure to pay up the balance as per para 3 supra the articles shall be reauctioned at the risk of the first successful bidder and any loss sustained thereby should be reimbursed by the defaulter, but he is not entitled to any profit that might accrue in the reauction.

5. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject the bid or stop the sale at any stage without assigning any reason therefor.

6. Immediately after the materials are knocked down, the successful bidder shall sign his name opposite the number and specification of the materials bought by him in a sale list provided for the purpose. Such signature shall be held as admission on his part of having bought such materials and of having accepted the terms of the sale.

7. In all matters of dispute the decision of the Chief Engineer shall be final and legally binding.

List of articles to be auctioned at the premisses of the Office of the Executive Engineer, Water Supply Division, Bangalore, Seshadri Road, near Electric 'A' Station on Saturday the 30th March 1940.

MISCELLANEOUS DEPARTMENTS.

OFFICE OF THE INSPECTOR-GENERAL OF POLICE IN MYSORE, BANGALORE.

Notice No. T. C. 295—37-38, *dated* 19*th November* 1937.

The public are hereby informed that an Avery's Weigh-bridge to weigh motor vehicles is erected in the Office of the Inspector-General of Police in Mysore, Cenotaph Road, Bangalore City, and that motor vehicles brought for weighment will be weighed on payment of a fee of Rs. 10 for each weighment. A certificate of weighment will invariably be issued with each weighment so made.

F. A. HAMILTON,
Inspector-General of Police.

OFFICE OF THE ASSISTANT DIRECTOR OF AGRICULTURE, BANGALORE CIRCLE, BANGALORE.

Abstract Notification dated 1*st March* 1940.

The attention of the public is drawn to Notification dated 1st March 1940, published in page 500, Part VI of the *Mysore Gazette*, dated 7th March 1940, regarding the auction sale of Mango Crop belonging to Ramakrishna Krishisala.

Notification No. 1 *of* 1939-40, *dated* 1*st March* 1940.

It is hereby notified for the information of the public that the undermentioned articles lying unserviceable in the Agricultural Depot, Bangalore, will be sold by public auction on 2nd April 1940 at the Bangalore Agricultural Inspector's Office, New Tharagupet, Bangalore City, at 9 A.M. by the Agricultural Inspector.

The sale will be knocked down in favour of the person who offers the highest bid. As soon as the sale is concluded the bidder should pay 25 per cent of the sale amount and furnish suitable security for the balance. The balance should be paid within three days from the date of auction failing which the articles will be resold at the risk of the first purchaser. Any loss that may accrue on such resale shall be recovered from him, and no claim will be entertained in the event of the profits being realised. The successful bidder shall also make his own arrangements after payment to remove the articles within a day or two.

Persons whose solvency may be considered doubtful may be required by the Officer conducting sale at his discretion, to deposit from Rs. 5 to Rs. 10 so as to ensure their *bona fides* at the time of bidding.

SCHEDULE.

1. (*a*) *Two*—Horizontal split casing centrifugal or turbine pumps having phosphor bronze impellers with removable neck rings, and sleeves, etc., each capable of discharging 400 imperial gallons per minute against a head of 150 ft. from all causes. The pump set should be capable of working over the range of 100 ft. head to 150 head without undue heating effects on motor and working troubles in the pump such as end thrusts, etc. The pump shaft should be made of high class nickel or chrome steel of non-rusting quality. The bearings should be of ball and roller type and fitted up with grease nozzles to admit grease being gunned while running. One end of the shaft to be fitted up with flexible coupling suitable to be coupled to an induction motor mounted on a common bed plate. The pump gland housing should be provided with the usual water seal arrangements.

1. (*b*) The following accessories should be included in the quotation :—

(1) *Two* foot-valves with strainer (metal face type) one size bigger than the suction opening.
(2) *Two* sluice valves (Glenfield and Kennedy).
(3) *Two* non-return valves.
(4) One complete set of neck rings and end sleeves, etc., as spares.
(5) One complete set of roller and bale bearings for pumps as spares.
(6) One set of glands as spares.
(7) One grease gun.
(8) Two pressure and two vacuum gauges with control cocks.
(9) One set of set spanners.
(10) One set of spare impelle s and spare and standbye.

2. *Two* Induction motors drip-proof quality to drive the above pump to run on 220 volt, 25-cycles, 3-phase alternating current mounted on common cast iron bed plate and coupled to the above pump with flexible coupling.

Two oil immersed starters having over lead and no voltage relays, with suitable ammeter, volt meter and three throw switch with fuse arrangements.

3. (*a*) *One* panel board of marble type to take in all the above fittings of the two sets of motors with enough room for admitting killowatt hour meter being fixed.

(*b*) The following accessories have to be provided for :—

(1) One set of ball and roller bearings.
(2) One set of finger contacts to starter.
(3) One set of over load and no voltage coils.
(4) One set of rubber bushes for flexible couplings.
(5) One set of flexible couplings bolts and nuts.
(6) One drum of transformer oil for the first charge of oil switch gear.

(7) One set of spanners.

ENGINEERING DEPARTMENT.

BUILDINGS DIVISION, BANGALORE.

Notification dated 12*th March* 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Buildings Division, up to 2 P.M. of 30th March 1940, for constructing Scouts Building attached to Central College, Bangalore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1940.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 300 (Rupees three hundred only) in cash or Government Promissory Notes as earnest money, and be superscribed "Tender for constructing Scouts building attached to the Central College, Bangalore," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Tenders must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any tender quoted at so much percentage less or more than estimated rate will not be accepted.

13. The tender form may be had on payment of four annas each.

Details of estimte for constructing Scouts Building attached to Central College, Bangalore.

M. K. RAJAM IYENGAR,
Executive Engineer.

BANGALORE DIVISION.

Notification dated 9th March 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 2 P.M. on 1st April 1940, for restoring and improving Sivanahalli Hutchappanakere, Reg. No. 146 of Closepet Taluk.

2. Tenders in the prescribed form obtainable on payment of Re. 0-4-0 per form from the Office of the Executive Engineer, Bangalore Division, should be addressed to the Executive Engineer, Bangalore Division, in a sealed cover and superscribed as "Tender for Restoring and Improving Sivanahalli Hutchappanakere Tank, Reg. No. 146 of Closepet Taluk." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a duplicate challan for having credited into the Treasury the deposit amount of Rs. 245 under 17 (a) P. W. Deposits or Mysore Government Bonds, duly endorsed at face value or market value, whichever is less, as earnest money. The earnest money of the successful tenderer will be retained as security deposit for the due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 1st April 1940 at 3 P.M. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form, for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay Specifications (1931).

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force, will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Bangalore, on all working days between 11 A.M. and 5 P.M. and may be obtained from that officer on payment of Rs. 3 for each.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department Schedule of Rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of December 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 1-8-0 per day which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

Approximate quantities for restoring and improving Sivanahalli Hutchappanakere Tank, Register No. 146, Closepet Taluk.

No.	Items of work	Unit	Rate	Quantity	Rate to be quoted in

M. VENKATESA IYENGAR,
Excise Commissioner.

DEPARTMENT OF AGRICULTURE—MYSORE STATE.

OFFICE OF THE PADDY SPECIAL OFFICER.

Notification dated 8th March 1940.

1. Sealed tenders for the purchase of Arecanut (round) and paddy of the current season on the Marthur Farm, Sagar Taluk (about 10 miles from Sagar on Sagar-Jog Road) will be received by the Agricultural Inspector up to 2 P.M. on Friday the 5th April 1940.

2. The intending buyers may examine the produce on any working day during farm hours.

3. Tenders should be superscribed "Tenders for the purchase of arecanut and paddy on the Murthur Farm" and should be accompanied with a challan depositing a sum of Rs 50 in a Government Treasury, in favour of the Agricultural Inspector, Marthur Farm.

4. The rate offered for paddy should be per palla of 100 seers and for arecanut per maund of 28 lb.

5. The Director of Agriculture in Mysore, Bangalore, reserves the right to accept any tender or to refuse the highest rate of tender or any tender without assigning any reason therefor.

6. The tender will be opened by the Agricultural Inspector at 3 P.M. in his office and the rates will be read out in the presence of the tenderers who will be present at that time. The successful tenderer after the approval of the Director, will be intimated. The deposits of the unsuccessful tenderers will be refunded.

7. The deposit amount of the successful tenderer will be adjusted at the time of the close of the sale.

8. The successful tenderer must remove the produce within a week from the date of the receipt of the intimation.

9. Delivery of the produce is on the Farm and the tenderer must make his own arrangements for the removal.

10. Payments should be made in full on the spot at the tendered rate, for such quantities as are removed from the Farm.

11. The produce will be measured or weighed by the Farm staff and with the standard measures and weights used on the Farm.

12. Failure to comply with the above conditions will entail the forfeiture of the deposit amount and the produce will be sold at the risk of the tenderer, who will have to make good any loss that may be caused by the resale, and shall by no means participate in any profit which may accrue thereby. The loss, if any, will be recovered as if it is an arrear of revenue.

Approximate Quantity

(1) Arecanut (round)	80 maunds
(2) Paddy—(*a*) Fine	32 pallas
(*b*) Coarse	16 ,,
(*c*) Mixtures	20 ,,

S. V. SHARMA,
Paddy Special Officer.

SHIMOGA DISTRICT.

Notification No. Ex. 1. 254—39-40, *dated 6th March* 1940.

Tenders are invited for the exclusive privilege of vending arrack, date toddy and ganja in the undermentioned shops of the Sagar Taluk for three months beginning from 20th March 1940 and ending with 20th June 1940.

2. As per Government Orders, a deposit of Rs. 100 in the case of all the shops o Rs. 25 for individual shops in the treasury credit chellans only and not cash as earnest money should accompany the tender which should be sent in sealed cover superscribed "Tender for Excise Shops for 1939-40—Sagar Taluk." The tenders should be sent to the Office of the

Deputy Commissioner, Shimoga District, so as to reach him before 2 P.M. on 18th March 1940, after which time no tender will be accepted. In the event of the tender being rejected, the deposit amount will be refunded.

3. Tenders will be opened in the District Office by the Deputy Commissioner, Shimoga District, or by any officer deputed by him at 2 P.M. on the said date in the presence of such of the tenderers as may be present. The final disposal of the tenders will rest with the Deputy Commissioner, who reserves to himself full discretion to reject any or all of them without assigning any reason therefor, and to dispose of the shops otherwise at his discretion.

4. The tenders may be sent for an individual shop or group of shops. If the same highest amount is tendered by two or more persons, the privilege in question may, at the discretion of the Deputy Commissioner, be put to auction, restricting competition between those who have tendered the same amount or it may be disposed of in any other manner.

5. The privilege for which tenders are called will be subject to the conditions laid down by Government in their Notification No. Fl. 5902-Ex. 107-33-4, dated 10th March 1939, as amended from time to time and the Excise Commissioner's No. A1-690-38, dated 14th March 1939.

6. The successful tenderer should credit the khists for the entire period in advance.

7. The site for the location of the shops will be selected in consultation with the Superintending Engineer, Jog Project Division.

Shops.

1. Arrack shop	...	To be opened newly in the Jog Electrical Area.

B. V. NARAYANA REDDY,
Assistant Comptroller.

FOREST DEPARTMENT.

BHADRAVATI DIVISION.

Abstract Notification dated 23rd February 1940.

The attention of the public is invited to the notification of date published on pages 424-425, Part VI of the *Mysore Gazette*, dated 29th February 1940, calling for tenders for supply of rations to elephants.

H. S. RANGACHAR,
District Forest Officer.

ENGINEERING DEPARTMENT.

CHITALDRUG DIVISION.

Notification dated 12th March 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Chitaldrug Division, up to 3 P.M. on 19th March 1940, for constructing P. W. D. Stores at Chitaldrug.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Chitaldrug Division, should be addressed to the Executive Engineer, Chitaldrug Division, in a sealed cover and superscribed as "Tender for constructing P. W. D. Stores at Chitaldrug." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a treasury challan for having deposited Rs. 215 (Rupees two hundred and fifteen) to the credit of "17 (a) deposits" in cash or Government Promissory Notes or Mysore Government Bonds, duly endorsed at face value or market value, whichever is less, as earnest money. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract. Such a deposit in cash will not carry any interest; in addition to this a deductienof 5% will be made in the bills of the successful tenderer.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 19th March 1940 at 3-30 P.M. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the Departmental Schedule Contract Form for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay specifications (1931).

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Chitaldrug, on all working days, between 11 A.M. and 5 P.M. and may be obtained from that officer on payment of four annas.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumsump amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The work should be completed and handed over in a tidy condition to the Public Works Department by the end of 15th June 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 20 rupees (twenty only) per day, which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

23. Chamundi Brand Cement alone to be used.

24. All lumpsum items will be measured and paid at minimum schedule rates.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations, wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P. W. D. so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work, and he must take precaution against all risk of accidents and, if necessary, provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

GOVERNMENT OF MYSORE, STORES PURCHASE COMMITTEE, BANGALORE.

No. S. P. C. 29407-16, *dated 8th March* 1940.

To

The Firms dealing in Tents.

Enquiry No. 3945.

TENTS.

DEAR SIR/GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the attached schedule in the form printed overleaf.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases

being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Tents" with the above enquiry number.

This enquiry will be closed on the 25th March 1940.

Schedule.

Item No.	Description of material offered	Quantity	Price quoted F. O. R.	Time of delivery
			Bangalore.

MYSORE DIVISION.

Notification dated 28th February 1940.

Under Section 40 of the Mysore Forest Act, notice is hereby given for general information that the following quantities of timber found unclaimed in the places noted against them are kept in the custody of the persons noted against each. Persons having any claim to the above timber may present a written statement of claim to the District Forest Officer, Mysore Division, Mysore, within a month from the date of publication of this notification, failing which, the ownership of the timber shall vest in Government free from all encumbrances under Section 42 of the Mysore Forest Act.

	Name of Range	Place at which the timber was found	Kind of timber	Dimensions	With whom the timber is kept
1.	Chamarajanagar	Found in Survey No. 411 of Hebbasur carried by floods in Suvarnavathi River.	Mathi	17′-10″×7′-0″ =54 C.ft.	With Patel Mallappa of Hebbasur.
2.	Ainurmarigudi ..	Junglewood timber ..	Junglewood.	200 Equivalent to about 120 C.ft.	In the custody of the Department.

M. G. VENKATA RAO,
District Forest Officer.

HASSAN FOREST DIVISION.

Abstract Notification dated 8th March 1940.

The attention of the public is invited to the detailed notification dated 8th March 1940 regarding the sale of timber at Konnannur Depot to be held on 29th March 1940 published in pages 526-527, Part VI of the *Mysore Gazette*, dated 14th March 1940.

Resale Notification dated 13th March 1940.

It is hereby informed for general information that the exclusive right of collection and removing the Alale Fruits on all Government unoccupied lands, Amrit Mahal Kavals, State Forests, Reserve Lands and plantation in the Arasikere Taluk from the date of confirmation of the sale to 30th June 1940 will be resold by the District Forest Officer in the District Forest Office, Hassan on the 5th April 1940, at the risk of original purchaser who has failed to remit the First Khist amount which fell due on 1st February 1940.

For further particulars and conditions, please see Chief Conservator's detailed Notification No. D1-88-866—37-38, dated 21st April 1938, published on pages 661-664, Part VI of the *Mysore Gazette*, dated 28th April 1939.

D. NARASIMHAMOORTHY RAO,
District Forest Officer.

KADUR FOREST DIVISION.

Notification dated 5th March 1940.

It is hereby notified for general information that the exclusive right of collecting Thangadi and Kakke barks on all Government unoccupied lands, Amrut Mahal Kavals, State Forests and Plantations from the date of confirmation of the sale to 30th June 1941 in the undermentioned Taluk will be sold by public auction at the risk of the original lessee by the District Forest Officer, as he has failed to remit the 1st Khist amount due on account of the current Thangadi lease on the due date.

Name of taluk	Place of sale	Date of sale
Hire-Nallur, Yagati and Kanchikal Bidare Hoblies of Kadur Taluk.	District Forest Office, Chikmagalur.	30th March 1940.

Notification dated 7th March 1940.

It is hereby notified for general information that the undermentioned quantities of timber will be sold by public auction under the following conditions at the following places by the District Forest Officer, Kadur Division, at 2 P.M. on the following date.

Name of place	Mathi	Honne	Bite	Yettiyaga	Hunal	Nandi	Thadasal	Place of sale	Date of sale
	C.ft.	C.ft.	C.ft.	C.ft.	C.ft.	C.ft.	C.ft.		
Malgode Plantation Area, Koppa Range.	850	489	54	57	308	137	12	Malgode ..	28-3-1940

Remarks:—More or less.

Conditions.

1. Each bidder shall place a deposit of Rs. 100 with the officer conducting the sale, but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber in small quantities, full value thereof will be accepted if tendered on the spot and the payment of deposit in such cases will not be insisted upon.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having

accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case is subject to the confirmation of the Conservator and in other cases, to that of the District Forest Officer.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit. Should any purchaser fail to comply with this rule, the initial deposit shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter, on account of loss from resale, shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Act. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value, where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of the successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of notice of confirmation of the sale, whichever is later. In case of purchases of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than the 15th May 1940. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale; and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid. Interest at 6¼ per cent per annum will be levied on all arrears of amount permitted to be paid after the due dates.

10. The timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

B. T. THIMMARAYAPPA,
District Forest Officer.

D. A. HUKERI,
Executive Engineer.

KADUR DIVISION.

Notification dated 14th March 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Kadur Division, Chikmagalur, up to 3 P.M. on 31st March 1940, for the works connected with tarring of Kadur-Mangalore Road from Basavanahalli tank end up to Coffee Curing Works at Chikmagalur.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Kadur Division, on payment of annas four per each copy should be addressed to the Executive Engineer, Kadur Division, Chikmagalur, in a sealed cover and superscribed as "Tender for the works connected with the tarring of Kadur-Mangalore Road from Basavanahalli tank end up to Coffee Curing Works at Chikmagalur." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a Treasury chellan for Rs. 410 (Rupees four hundred and ten only) for having credited this earnest money to "17 (*a*) P. W. Deposits" in any approved Government Treasury. The earnest money of the successful tenderer will be retained as security deposit for the due fulfilment of the contract. Such a deposit will not carry any interest. Tenders unaccompanied by earnest money will not be accepted.

4. The tenders will be opened in the presence of such tenderers who wish to be present on the date at the time of opening at Chikmagalur. The final acceptance of the tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form for the due fulfilment of the contract.

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Chikmagalur, on all working days, between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page, noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions, or additions at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of April 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 100 per fortnight which will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. Chamundi brand cement must be used for the work.

23. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P.W.D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

Abstract estimate for the works connected with tarring Kadur-Mangalore Road from Basavanahalli tank up to Coffee Curing Works at Chikmagalur.

No.	Particulars	Unit	Quantity	Rate

Notification dated 14th March 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Kadur Division, Chikmagalur, up to 3 P.M. on 31st March 1940, for works connected with tarring of Kadur-Mangalore Road in Chikmagalur Town limits.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Kadur Division, Chikmagalur, on payment of annas four per each copy should be addressed to the Executive Engineer, Kadur Division, Chikmagalur, in a sealed cover and superscribed as "Tender for Works connected with tarring of Kadur-Mangalore Road in Chikmagalur Town limits." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a deposit of Rs. 160 (in words rupees one hundred and sixty only) in cash or Government Promissory Notes or Mysore Government Bonds, duly endorsed at face value or market value, whichever is less, as earnest money. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on the date at the time of opening. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental schedule contract form, for the due fulfilment of the contract.

6. Failure to comply with the condition 5 above, or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Chikmagalur, on all working days between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page, noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the Contractor are only tentative and are liable to alterations, omissions, deductions or additions at the discretion of the Executive Engineer, or his representative. The tendered rates will hold good for any quantity whether higher or lower than those given in the enclosed schedule.

17. The work should be completed and handed over in a tidy condition to the Public Works Department by the end of April 1940, failing which, the Executive Engineer may, at his discretion, levy a penalty of Rs. 100 per day, which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract, and will be recovered from contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.

(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.

(3) Provide mortar mills, and sheds, to keep materials under cover and also for workmen.

(4) Arrange for protecting work during inclement weather.

(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.

(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.

(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.

(8) Provide arrangements for pumping and baling of water from excavations and foundations, wherever and whenever necessary with his own pumping apparatus, including necessary leading drains, slump pits, etc.

(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract and give such persons the use of ordinary scaffolding and ladders.

(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary, provide for the same by insurance at the proper time.

Note—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

Notification dated 14*th March* 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Kadur Division, Chikmagalur up to 3 P.M. on 6th April 1940, for the works connected with the tarring of Kadur-Mangalore road in front of Coffee Curing Wworks at Chikmagalur.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Kadur Division, on payment of annas four for each copy should be addressed to the Executive Engineer, Kadur Division, Chikmagalur, in a sealed cover and superscribed as "Tender for the works connected with the tarring of Kadur-Mangalore road in front of Coffee curing Works at Chikmagalur." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a Treasury chellan for Rs. 180 (Rupees one hundred and eighty only) for having credited this earnest money to "17(a) P. W. deposits" in any approved Government Treasury The earnest money of the successful tenderer will be retained as security deposit for the due fulfilment of the contract. Such a deposit will not carry any interest. Tenders unaccompanied by earnest money will not be accepted.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 6th April 1940 at Chikmagalur. The final acceptance of the tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form, for the due fulfilment of the contract.

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force, will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Chikmagalur, on all working days between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of June 1940, failing which the Executive Engineer may, at his discretion, levy a penalty of Rs. 100 per fortnight which will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. Chamundi Brand cement must be used for the work.

23. The contractor should arrange for the payment of royalty and tolls.

Note.—(*a*) The contractor should at his own cost—

(1) Provide rods, stakes, ropes and labour required in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hoisting.
(3) Provide mortar mills and sheds, to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of the work.
(6) Supply all water required for work and workmen and shall provide temporary latrines and drains.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
(9) Afford facilities to any other parties employed upon the work by the P. W. D., so that their work may proceed during the progress of the contract, and give such persons the use of ordinary scaffolding and ladders.
(10) The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time.

Note.—(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

B. V. NARAYANA REDDY,
Assistant Comptroller.

DEPARTMENT OF HORTICULTURE, LAL-BAGH, BANGALORE.

Notification dated 24th February 1940.

IMPORTATION OF FRUIT PLANTS FROM AUSTRALIA.

Arrangements will be made to import fruit plants from Australia. Those who desire to order for plants are requested to apply to the undersigned before the end of March 1940. The list of plants usually imported may be had on application.

2. All sales are made subject to the following conditions of the sale of the firm :—

"We believe that all trees and plants sold by us are of the description and kind specified at the time of sale. Where reasonable proof is given that plants have been wrongly named, we will refund the original purchase money or correct the mistake by new plants ; but we give no warranty, expressed or implied, as to their growth, description, quality or productiveness and will not be in any way responsible for the crop, as those factors are governed by forces beyond our control."

3. The full value of the plants required, together with 50 per cent of the cost of plants towards freight, duty, etc., should be sent with the order for plants. The final bill including all costs will be sent after the actual charges are ascertained.

4. The name and address as also the Railway Station to which the consignment has to be sent should be very clearly stated.

5. The plants are expected to arrive about the month of July 1940.

6. Any other information required may be had from this Office.

H. C. JAVARAYA,
Superintendent.

OFFICE OF THE EXCISE COMMISSIONER IN MYSORE, BANGALORE.

NOTICE OF SALE OF EXCISE AND OPIUM PRIVILEGES.

Notification No. A—1046—39-40, *dated 12th March* 1940.

Notice is hereby given that the exclusive privilege of selling during the twelve months beginning from 1st July 1940 and ending with 30th June 1941 or for any longer period that may be considered necessary, country liquors, intoxicating drugs and opium in the several shops licensed for the purpose and situated in the several taluks of the Mysore State (except those sold already) will be put up to public auction by the Deputy Commissioner or Revenue Assistant Commissioners or other Officers specially empowered by the Deputy Commissioners of the Districts concerned for the purpose, on the dates and at the taluk or sub-taluk headquarter places mentioned in the schedule annexed, subject to the conditions hereinafter set forth.

Note.—If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

2. The sales will commence at 1 P.M. in all the taluks of the several districts.

3. A complete list of all the shops for which licenses will be granted and a copy of the general and special conditions applicable to all vend licenses under the Excise and Opium Laws as prescribed by Government, in their Notification No. Fl. 5992—Ex. 107-38-4, dated 10th March 1939, published in the *Mysore Gazette*, as amended from time to time, are available for the information of intending bidders in the Range and Taluk Offices. Under clause 3, para 2 of the said notification any shop or shops that are disposed of by tenders or otherwise prior to auction will be treated as withdrawn from auction, and the notification regarding their sale by auction will be cancelled.

Abstract Notification dated 8th March 1940.

SALE OF MARTHUR FARM PRODUCE.

Attention is drawn to this Office Notification dated 8th March 1940, inviting tenders for the purchase of the produce of the Marthur Farm, published in Part VI, pages 574 of the *Mysore Gazette*, dated 14th March 1940. The last date for receiving tenders is 5th April 1940.

S. V. SHARMA,
Paddy Special Officer.

INDIAN POSTS AND TELEGRAPHS DEPARTMENT.

No. G 2/4, Bangalore, dated the 11*th March* 1940.

Sealed tenders are invited for the conveyance of mails by motor vehicles daily between Bangalore City R.M.S. and Magadi Post Office for up and down journeys throughout the year on a fixed monthly subsidy for a period of three years commencing from the 1st July 1940 subject to increase or decrease according to whether the price of petrol at bulk rates goes up or down for periods of three months at least during the said period. The approximate daily mileage at present involved is sixty-eight miles. No tenders quoting "Any remuneration deemed suitable" or words to that effect will be accepted.

2. A copy of the schedules showing full details of the services required and copies of the forms of tender (on which tenders must be made) and agreement and any further information in the matter may be obtained on application from the office of the Superintendent of Post Offices, Bangalore, on payment of Rs. 5. This sum will not be refunded in any case.

3. All tenders must be addressed to the undersigned by name clearly marked, "Tender for Bangalore City R.M.S. Magadi Post Office mail contract" on the outside of the cover and must reach him on or before the 29th March 1940.

4. Tenders will be opened by the undersigned in his office on 1st April 1940 at 12 Noon hours in the presence of such of the tenderers as may wish to be present there.

5. The undersigned does not bind himself to accept the lowest or any tender or to assign any reason for the rejection of any tender.

CONDITIONS OF TENDER FOR THE CONVEYANCE OF MAILS BETWEEN BANGALORE CITY R.M.S. AND MAGADI POST OFFICE.

All tenders must be sealed and addressed to the undersigned by name and clearly marked "Tenders for Bangalore City R.M.S. and Magadi Post Office Mail Motor contract" on the outside of the cover and must reach him on or before the 29th March 1940 by 5 P.M.

2. The approximate daily mileage at present involved is sixty-eight and half miles. A copy of the schedule showing the number, timings and other details of the service required and copies of the form of tender (on which tenders must be made) and of agreement and bond which will have to be executed by the successful tenderer are given herewith. The successful tenderer will be required to get the contract deed registered at his own cost.

3. Tenders will be opened in the office of the undersigned at 12 Noon on the 1st April 1940 in the presence of such tenderers as may wish to be present there.

4. No tenders quoting "Any remuneration deemed suitable" or other words to that effect will be accepted. Should a tenderer so desire, he may however offer to carry the mail free or mention the amount which he is prepared to pay to the department per month for the privilege of conveying the mail. If a subsidy is quoted, it should be for a complete rupee or rupees and should not contain any fraction of a rupee.

5. Each tender must be accompanied by Rs. 25 in cash as deposit money which will be refunded if the tender is not accepted. Tenders without earnest money are liable to be summarily rejected. Should the selected contractor fail to take up the work by the specified date, his tender will automatically lapse and deposit money pledged by him forfeited.

6. The minimum number of motor vehicles required to be maintained by the contractor will be three. Tenderers must clearly state whether they have this number of vehicles as otherwise their tenders will not be considered.

7. Tenderers should forward with their tenders letters of evidence from the District Superintendent of Police or other concerned District Authorities to the effect that the vehicles mentioned in their tender have been or will be licensed and permitted to run on the particular road or roads mentioned in the tender.

8. The undersigned does not bind himself to accept the lowest or any tender or to assign any reason for the rejection of any tender.

M. V. SUBBA RAO,
Superintendent of Post Offices,
Bangalore Division, Bangalore.

OFFICE OF THE DEPUTY COMMISSIONER AND DISTRICT MAGISTRATE, MANDYA DISTRICT, MANDYA.

Notification No. H. 84—39-40, *dated* 15*th March* 1940.

1. Two petrol bunks will be permitted to be installed in a prominent place in Mandya Town, one on each side of the bus stand entrances and opposite the travellers' bungalow and by the side of the Bannur Road. The site plan can be seen in the office of the Deputy Commissioner and District Magistrate, Mandya District.

2. Applications will be received in the office of the Deputy Commissioner, Mandya District, Mandya, up to 2 P.M. on the 30th March 1940, for the construction and taking on lease of these petrol bunks. Applications may be for each bunk individually.

3. The structure for the bunk should be as per approved plan available for inspection in the Deputy Commissioner's Office and similar to the one at the Mysore Railway Station and constructed by the applicant at his own cost.

4. As the land on which the pumps are to be built belongs to the Muzrai Department, the lease will, in the first instance, be for a period of fifteen years.

5. The storage tank, etc., has, as usual, to be approved by the Inspector of Explosives.

6. Persons who wish to obtain the right of selling petrol at Mandya at these places will apply to the undersigned specifying the ground rent per month they are prepared to pay.

7. The work should be completed within two months from the date of issue of the order, failing which the Deputy Commissioner may, at his discretion, levy a penalty which will be recoverable from the lessee as arrears of land revenue.

8. In all matters of dispute of any kind not specially provided for, the decision of the Deputy Commissioner, Mandya District, shall be final and legally binding.

10. The lease should not be sublet.

B. S. RAGHAVENDRA RAO,
Deputy Commissioner and District Magistrate.

GOVERNMENT OF MYSORE—ELECTRICAL DEPARTMENT.

OFFICE OF THE CHIEF ELECTRICAL ENGINEER IN MYSORE, BANGALORE.

Abstract Notification dated 2nd March 1940.

Subject:—GAZETTE NOTIFICATION—G. N. 25.

Attention is drawn to this office Notification dated 2nd March 1940, inviting tenders for the purchase of Flat Iron, M. S. (brand NEW Section) 3″×½″, published in Part VI, page 500 of the *Mysore Gazette*, dated 7th March 1940. The last date of receiving tenders is 21st March 1940, 12 NOON.

M. HAYATH,
For *Chief Electrical Engineer.*

OFFICE OF THE SUPERINTENDENT, POWER AND LIGHTING, MYSORE.

Notification dated 10*th March* 1940.

1. Sealed tenders in triplicate will be received at the office of the Superintendent, Power and Lighting, Mysore, superscribed with the name of the work noted below.

2. A sum of Rs. 35 (Rupees Thirty-five) only is required to be sent along with the tender in cash or currency or cheque drawn in favour of the Superintendent, Power and Lighting, Mysore, or order, being the earnest deposit. Tenders not accompanied with the said deposit will not be accepted.

3. The plans connected with the work may be seen at the office of the undersigned at all working hours. The same will be made available on payment of Rs. 3 per set, if required.

4. The tenders should be drawn up strictly in conformity to the specification furnished, writing out the rate at which each item of work will be executed in figures as well as in words, failing which no cognizance will be taken of the tender. No items other than those noted in the statement should be included, as the items cover provision for all sundries that are necessary for the execution of the work to meet with the requirements of the Department, including painting and colour-washing to suit the finish of the walls, etc.

5. Materials to be used on the work should be of best quality conforming to the specifications of this Department and B.S. or A.I.E.E. specifications. Mention should also be made of the manufacture and the catalogue numbers of the materials offered. Teakwood planks to be used on the work should be free from knots, cracks and should be well seasoned. No planks less than 12″ in width will be permitted to be used unless it is to make up the difference in size of the board required. Only lap joints should be adopted in all cases.

6. The undersigned reserves the right to reject the tenders without assigning any reason therefor.

7. The successful tenderer will be required to execute an agreement within two days from the date of communication of acceptance of the tender. He should send samples of all the materials required for the work mounted on a board and start the work after obtaining the approval of the undersigned with regard to the same within a week from the date of communication of acceptance. Failure to adhere to the conditions above will entail forfeiture of the earnest deposit and adoption of such measures as are necessary for expediting the work otherwise entirely at his risk. He should also bind himself to execute the work strictly adhering to the wiring rules of this Department as well as those of I.E.E. He should also be prepared to adopt changes in the location of heating outlets, control points, etc., that might be desired by the undersigned during the progress of the work without any obligation if the tender is not materially affected thereby. The wiring adopted being in lead covered cable sharp corners should invariable be avoided.

8. The undersigned reserves the right to reject the work either in full or in part if the same is not executed according to the above specification or is not satisfactory as regards workmanship.

9. Special care should be taken to afford metallic continuity and to provide efficient earthing to the installation as the system of wiring adopted is in lead covered cable.

10. *Name of work* :—Installing Electric Lights to the proposed *Kitchen* at P. K. Sanatorium, Mysore.

11. *Last date and time of receiving the tender* :—At 3 P.M. on the 2nd April 1940.

12. *Last date and time for opening the tenders in public* :—At 4 P.M. on the 2nd April 1940.

13. A period of six weeks from the date of acceptance of tender will be allowed for the completion of the work in all respects. If the installation is not handed over to the Department with service on the due date, the Department will arrange to take charge of the installation at whatever stage it might be and arrange for completion of the work through any other agency at the risk of the tenderer.

14. The Firm executing the work should arrange while handing over the installation to this Department to pass a certificate of guarantee for the continuance of satisfactory service to the installation for a period of 12 calendar months from the date of handing over charge to this Department while uninterrupted power supply is maintained. Further, it will be obligatory on the part of the Firm to attend to any defects in the installation that might crop up during the above period without any return for service rendered.

15. *Details of work* :—The quantities given in the annexed statement are not guaranteed and are subject to variation at the time of executing the work.

N.B.—(1) The distribution of outlets should be on two circuits.

(2) Large square metal junction boxes should be employed for wiring outlets.

Installing Electric lights to the proposed kitchen at P. K. Sanatorium, Mysore.

No.	Names of materials, etc.	Unit	Quantity
	Part I—Mains.		
1	Supplying and laying No. 7–.029 SWG. twin conductor, V. C. insulated, lead covered, double steel armoured, jute served, underground cable suitable for 1,000 V pressure in a trench 3′ deep surrounding the same with 3″ fine sand, enclosing the ends in pole and indoor type, junction boxes fitted with insulating compound and the exposed portion of the cable at the pole end in 18 feet of 1½″ galvanized pipe with bends, clamps, etc., using No. 7÷.029 SWG. insulated wire and accessories	Ft.	135
2	Running mains in ¾″ welded conduit using No. 7–.029 SWG. insulated wire and accessories	,,	6
3	Supplying, fixing and wiring T. W. Board 18″×15″ with battens and rear board equipping the board with 1 of 15 Amps., D. P. S. T. ironclad switch with fuses and 2 of 10 Amps. D. P. Ironclad switches with fuses using No. 7–.029 insulated wire and accessories	..	1
4	Earthing cable armouring, main pipes, etc.	Item	1

No.	Names of materials, etc.	Unit	Quantity
	Part II.		
1	Supplying, fixing and wiring in twin and triple conductor L. C. cable run on T. W. fillets for lighting outlets complete with metal junction boxes, 5 Amps. reinforced bakelite control switches, cream finish, etc., and using No. 7/.029 SWG. and No. 3/.036 SWG. conductors for mains and taps respectively and accessories ..	..	18
2	Do do for wall plug outlets complete with 2-pin 5 Amps. wall plug with nipple as per specification above ..	..	3
3	Earthing the lead sheathing of the L. C. cables	Item	1
	Part III—Lighting Fixtures.		
1	Supplying, fixing and wiring drop lights complete with 2 plate bakelite ceiling rose, cream finish, flexible cord B.C.C.G. reinforced bakelite lamp holder,etc., using necessary accessories	..	6
2	Do do O. C. brackets 6″×½″ B. C. lamp holder and accessories	..	5
3	Do do ⅝″ braized conduit pendant 3′–4″ long complete with stout ceiling plate, B. C. lamp holder, etc., and necessary accessories	..	7
4	Supplying and fixing shades, white opal 10″×5″	..	12
5	Do do tin enamelled 10″×5″	..	6
6	Supplying and fixing lamps (MYSORE) 230 volts, B. C. 60 watts ..	..	18

Notification dated 10th March 1940.

M. M. ALI KHAN,
Superintendent.

OFFICE OF THE EXECUTIVE ENGINEER, SHIMSHA NEW PROJECT, SHIMSHAPURA.

Abstract Notification dated 28th February 1940.

The attention of the public is invited to the detailed notification dated 25th February 1940, calling for tenders for the purchase of teak wood centrings released from S. N. P. works, published on the pages 501-502 of Part VI of the *Mysore Gazette*, dated 7th March 1940.

K. V. SUBRAHMANYA SASTRY,
Executive Engineer.

THE MYSORE IRON AND STEEL WORKS, BHADRAVATI.

Applications are invited from Mysoreans by birth or domicile, who are Diploma holders in Electrical Engineering from the School of Engineering, Bangalore, with experience in Radio Operation and repairs, for the post of an Operator in the Mysore Iron and Steel Works, Bhadravati.

Applications should reach the undersigned on or before the 1st April 1940 and should be in the following form :—

1. Name in full and address	
2. Date of birth and age, last birthday	
3. Place of birth (state village or town, taluk and district).	
4. Whether a Mysorean by birth or domicile ..	
5. Caste	
6. Father's name	
7. Occupation of father	

8. Public Examinations passed with years of passing and full particulars regarding the subject or subjects in which the applicant is specially proficient.	
9. Present occupations and salary, if any	
10. Details of previous service, if any, under Government or under private employ and reason for the cessation or change.	
11. Particulars of testimonials attached	
12. Has he applied to the Central Recruitment Board for an appointment? and is he prepared to cancel his name in the Central Recruitment Board if he is appointed here?	

The applicant should be prepared to present himself for an interview at his own cost, if required. He will be on probation for six months on a daily wage of Re. 1 and confirmed afterwards on Rs. 40 per month if his work is found satisfactory.

Preference will be given to backward community candidate.

The candidate selected should bind himself to serve the works for at least five years and execute an agreement to that effect.

Canvassing in any form will disqualify the candidate.

B. VISWANATH,
General Manager.

PRIVATE ADVERTISEMENTS.

To

The Furniture Contractors.

Enquiry No. 3951.

GENTLEMEN,

Please intimate your best present day prices for articles of furniture noted overleaf for delivery free at the Sri Krishnarajendra Silver Jubilee Technological Institute, Bangalore.

Your quotation should be subject to the conditions of contract enclosed and should reach this office by 27th March 1940.

The quotations should be superscribed "Quotation for furniture required for the Sri Krishnarajendra Silver Jubilee Technological Institute, Bangalore", with the above Enquiry Number.

Schedule of Articles.

1. *Four*—Teakwood Tables for the Block Printing Room of the following dimensions: 6′ long ×3′ wide ×3′ high; thickness of the top plank should be 1″ minimum. Thickness of legs—3″×3″ minimum. The table should be provided with two shelves with locking arrangement of 18″ width at each end of the table.
2. *Four.*—Teakwood tables for colour pans. Dimension: 2′ long ×1′–6″ wide ×2′–9″ high. Thickness of the top plank: ½″ minimum. Thickness of the legs 1½″ square, with beading of 1″ width all round on the top.
3. *Two.*—Heavy Teakwood Table, 3′–6″ long ×2′ wide ×3′ high. Thickness of the top plank: 1½″ minimum. Legs 4″ square. The top must have a projection of 2″ all round.
4. *Three.*—Teakwood tables, each 10′ long ×4′–6″ wide ×3′ high. Thickness of the top plank: 1½″ minimum. The legs should be of 3″ square. Each table should have 18″ wide shelves with locking arrangement, one on each end of the table. The three tables must be exactly of the same height and must be fitted one by the side of other to form one continuous table 30′ long ×4′–6″ wide × 3′ high, perfectly level.
5. *Two.*—Stands each 5′ long ×3′ wide ×8′ high, having hollow brass rods of 1″ diameter fixed in two tiers at intervals of 4″ along the width.
6. *Two.*—Teakwood pillars, rectangular, 8″×8″×6″ with two tapering cylindrical arms 180″ apart, the arms being two feet long and tapering from 6″ at the pillar to 3″ at the end.
7. 100.—Solid cane or teakwood rods of 3′ length and 1″ diameter, having perfectly smooth surface.
8. *Two.*—Rectangular teakwood vats suitable for dyeing and washing, internal dimension 4′ long ×1′–6″ wide ×2′–8″ high of about 100 gallons capacity. One of the vats to have perforated false bottom. The other should have grating type of false bottom. Both the vats should be provided with drain cocks for the outlet of liquor from the vats.
9. *Two.*—Vats of about 166 gallons capacity with internal dimension 5′ long, 2′ wide, 2′–8″ high, one having grating type of false bottom and outlet drain cock. The other should have no false bottom, but should be provided with drain cock.

   The vats should be made of well seasoned first class teackwood of minimum 2½″ thickness planks free from knots or cracks. No plank of less than 12″ width should be used. The various pieces should be securely jointed and should be perfectly water-tight. The sides of the vats have to be braced by ⅝″ to ¾″ stay rods. The outer side of the vat should be strengthened with steel or cast iron brackets and stay rods. The false bottom should be made of first class teakwood of minimum 1″ thickness, having either circular holes of about 1″ diameter when of a sieve type or should be made of strips of wood spaced with a gap of 1″ in between. The false bottom should be at a height of 2″ from the bottom in the vats. No metal should be used inside the vat for joining the various planks, etc. The drain-off cock to be 2″ bore, provided with pipe and tap and to be fixed at one corner of the vat at the bottom.

N.B.—How soon you will be able to supply the articles should be specified in your quotation.

Conditions of contract for the supply of articles of furniture.

1. The articles will be required to be manufactured according to our specifications out of well seasoned Mysore Teakwood or Rosewood, as the case may be, free from all defects, such as knots, bends, white and sap wood, etc. All the articles are required to be well polished and varnished.

2. The articles will be subject to inspection by an officer to be deputed for the purpose both during manufacture and after completion and such of the articles as may be found defective during such inspection, either due to bad workmanship or due to use of bad materials, will be rejected and you will be required to replace them by sound ones according to specification.

3. The soundness of all the articles should be guaranteed for one year during which period the defects that may be noticed by the department will have to be rectified by you at your cost.

4. You should be prepared to execute an agreement undertaking to abide by the conditions of our tender and also to deposit as security a sum not less than five per cent of the value of the order.

5. Withdrawal from the quotation after it is accepted or failure to make supply within the specified time or according to specifications will entail cancellation of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of three per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of Approved Firms.

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the form printed below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Electric Bulbs for Krishnarajsagar Division" with the above enquiry number.

This enquiry will be closed on the 1st April 1940.

Notification dated 15*th March* 1940.

The undermentioned quantities of timber will be sold by public auction by the District Forest Officer, Mysore Division, Mysore, or any other officer deputed by him at 2 P.M. on the dates noted against each under the following conditions.

Name of Depot and place of sale	Date of sale	Taek	Honne	Mathi	Bite	Other kinds	Remarks
		C.ft.	C.ft.	C.ft.	C.ft.	C.ft.	
I. Chamarajanagar Depot—							
(i) Government Timber ..	10-4-1940	300	1,500	200	400	100	More or less.
(ii) Timber of Sri Biligiri Rangan Temple Forests	Do	200	1,500	1,500	250	200	
II. Santhemarahalli ..	11-4-1940	200	800	250	..	200	

N.B.—If the sale is not concluded on the day notified, it will be continued in the morning at 8 A.M. on the next day.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale but defaulters to the department will not be allowed to bid at the sales.

(*a*) In the case of purchases not exceeding Rs. 200 in value, the initial deposit of Rs. 200 need not be insisted upon provided that the full purchase money is paid on the spot.

(*b*) The deposit of Rs. 200 to be placed with the officer conducting the sale is reduced to Rs. 50 in cases where the purchase of timber does not exceed Rs. 200 in value in Hunsur and Periyapatna Depots only.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. Subject to the minima prices fixed in each case by the Chief Conservator of Forests (which will not be divulged), the highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers. Should any lot be disputed, it shall again be put up and sold.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case are subject to the confirmation of the Conservator, and in other cases to that of the District Forest Officer, subject to the following conditions:—

(*i*) That the rate realised in a sale does not fall short of the average of the three previous sales by more than 5 per cent or is more than that realised at the previous sales.

(*ii*) That the power of confirming sales up to the limit of Rs. 1,000 shall be exercised only in the case of timber.

(*iii*) That the confirmation of sales is ordered by the District Forest Officers only after the payment of the full purchase money.

5. After conclusion of the sale, each purchaser will be furnished with a memo, showing the total value and the purchase made by him. Thereupon, each purchaser shall pay ten per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Act. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of the successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of notice of confirmation of the sale, whichever is later. In the case of purchases of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than the 15th May 1940. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*. Interest at 6¼ per cent per annum will be levied on all arrears of amounts which are permitted to be paid after the due date.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale, and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser, so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

M. G. VENKATA RAO,
District Forest Officer.

HASSAN DISTRICT.

Resale Notification dated 16th March 1940.

It is hereby notified for general information that the exclusive right of collection of Thangadi and Kakke bark on all the Government lands and State Forests of Arsikere and Belur Taluks in the Hassan District from the date the successful bidders are permitted to so collect to 30th June 1941 will be resold by public auction at the risk of original purchasers who have failed to remit the 1st khist amount due, by the District Forest Officer, Hassan District, at the District Forest Office, Hassan, on Friday the 12th April 1940.

The confirmation of the sale rests with the Conservator of Forests or the Chief Conservator of Forests as the case may be.

For further condition, etc., please refer to the detailed notification No. E. 247-964-38, dated 26th September 1939, published in the page numbers 1996-99 of the *Mysore Gazette*, Part VI, dated 28th September 1939.

D. NARASIMHAMOORTHY RAO,
District Forest Officer.

ENGINEERING DEPARTMENT.

BUILDINGS DIVISION, BANGALORE.

Notification dated 19th March 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Buildings Division, up to 6th April 1940 at 2 P.M. for constructing quarters for the Principal, Maharani's College, Bangalore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of August 1940.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer on payment of four annas. The tenders should be accompanied by a statement in the form given below showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 600 (Rupees six hundred only) in cash or Government Promissory Notes as earnest money, and be superscribed "Tender for constructing quarters for the Principal, Maharani's College, Bangalore," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Tenders must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any tender quoted at so much percentage less or more than estimated rate will not be accepted.

M. K. RAJAM IYENGAR,
Executive Engineer.

WATER SUPPLY DIVISION, BANGALORE.

Notification dated 16th February 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Water Supply Division, Bangalore, up to 6th April 1940, 3 P.M. for constructing R.C.C. tank of 100,000 gallons capacity near the New Mental Hospital, Bangalore, as per specifications noted below. The work should be completed within three months from the date of acceptance of tender.

2. Tenders should be submitted along with printed specification form which may be obtained from the Executive Engineer on payment of Re. 0-4-0.

3. Each tender must be accompanied by a challan for having credited into the Treasury a deposit amount of Rs. 750 (Rupees Seven hundred and fifty only) under '17 (*a*) P. W. Deposits' and be superscribed "Tender for constructing R. C. C. tank of 100,000 gallons capacity near the New Mental Hospital, Bangalore City," in default of which tenders will be rejected.

4. The final acceptance of any tender will rest with the Executive Engineer who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within eight days of the acceptance of tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

6. The name of the successful competitor, whose tender has been accepted will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

7. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

8. Rates once tendered will not be enhanced on any account.

8. Rates for non-tendered and non-estimated items shall be those fixed by the Executive Engineer after working out data with not more than 10 per cent for Contractor's profit.

10. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurement, quality of work, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

Specifications.

(1) There is at present a circular tank 15′ diameter and 10′ high. A new tank 40′ diameter and 15′ high is to be built concentric with this small existing tank and completely enclosing the same. This is on the ground surface.

(2) The tank should be of R.C.C. and the following factors shall be taken into consideration in the design to be adopted:—

(*a*) Tensile strength of the steel bar—12,000 lbs.

(*b*) While calculating for the circular side walls full bursting pressure shall be considered.

(*c*) The proportion of mixture for all portions except the roof shall be 1 : 1½ : 3 and for the roofing it shall be 1 : 2 : 4.

(3) Suitable dust-proof ventilators should be provided for in the roofing.

(4) The roofing shall be flat with two man-hole covers each 3′×3′ complete with mild steel lids with hinges, hasp and stable suitable for locking.

(5) One water level indicator complete with float, gauge board, pointer, flexible wire, guide pulleys, etc., shall be included in the tender.

(6) The outer surface of the side wall should be finished with cream coloured cement.

(7) *Nature of foundation.*—Gravel mixed boulders.

(8) All the pipe fittings will be supplied by the Department.

(9) A small parapet to the tank of suitable design should be provided for in the tender.

(10) No lumpsum quotations will be considered. Plans and estimate with detail drawings showing various reinforcements should accompany the tender. The estimate should give the quantities, rates and cost of each item. Any variation in the quantity will be paid for at the rates as per the detail estimate.

(11) Non-tendered items of work will be paid for after working out the data with not more than 10 per cent profit for the contractor.

(12) Cement to be used should be purchased through the Department.

M. K. NARASIMHA IYER,
Executive Engineer.

KADUR DIVISION.

Abstract Notification dated 16th March 1940.

The attention of the public is invited to the notification published on pages 492—498, Part VI of the *Mysore Gazette*, dated 7th March 1940, calling for tenders for the work of constructing Dispensary Buildings at Bukkambudi, Tarikere Taluk.

The last date of receipt of tender in this office is extended to 3 P.M. on 2nd April 1940, instead of 16th March 1940, as notified in the original notification.

M. A. RAMANUJAM,
Executive Engineer.

MISCELLANEOUS DEPARTMENTS.

DEPARTMENT OF AGRICULTURE.

OFFICE OF THE AGRICULTURAL ENGINEER, BANGALORE.

Notification No. 11 *of* 1939-40, *dated* 12*th March* 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Agricultural Engineer, up to 2 P.M. on 6th April 1940 for constructing a Tobacco Curing Barn on the Hebbal Farm.

2. An approximate estimate of quantities for each of the above works is given below separately. The quantities are not guaranteed. The works should be completed within one month from the date of acceptance of the tender.

3. Earnest money of Rs. 70 in cash should be remitted under Revenue Deposits, at the State Huzur Treasury, Bangalore, with a chellan duly filled in by the tenderer. The tender should be superscribed "Tender for the construction of a Tobacco Curing Barn on Hebbal Farm." The tenders will be opened at 2-30 P.M. on the 1st April 1940.

4. Subject to the formal sanction of the Director of Agriculture, the acceptance of the tender rests with the Agricultural Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatsoever for the rejection of any tender.

5. Within a week of the acceptance of the tender, the successful tenderer will be requested to furnish a cash security of 5 per cent of the value of the work and to execute the usual contract bond, in default of which his tender will be considered as cancelled, and the security deposit forfeited.

6. The name of the successful competitor whose tender has been accepted will be notified in due course.

7. After the acceptance of successful tender, the earnest money deposited on the refused tenders will be arranged to be returned to the parties.

8. Rates once tendered will, on no account, be enhanced.

9. Quotations must be written in words as well as in figures.

10. The measurements checked by the Agricultural Engineer will have to be accepted as final.

Statement showing the approximate quantities or works.

Quotations should furnish the following:—

(1) Ultimate strength.
(2) Resistance per mile at 60°F.
(3) Resistance per mile at 120°F.
(4) Weight per mile.

The firms should quote their best rates for delivery, *f.o.r., Tiptur,* Mysore State Railway, and also mention the exact date of delivery.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to select any tender as he may consider it expedient to accept.

Withdrawal from the quotation after it is accepted or failure to make the supply within the stipulated time will entail cancellations of the order and the purchases being made at the firm's expense elsewhere.

Supply on this tender will be subject to the general conditions of contract prevailing in the department for local purchases.

M. HAYATH,
Deputy Chief Electrical Engineer.

MYSORE STATE RAILWAY.

DISTRICT ENGINEER'S OFFICE, BANGALORE CITY.

Notification dated 18th March 1940.

Notice is hereby given that sealed tenders will be received at the Office of the District Engineer, Mysore State Railway, Bangalore City, on any day up to 12 NOON on 22nd April 1940, for providing an underbridge below the Railway line at mile 8/4 near Davangere Station.

An Approximate estimate of quantities is given in the following schedule. The qunatities are not guaranteed. The whole work should be completed by the end of December 1940.

2. Details of work and conditions of schedule agreement may be seen at the District Engineer's Office, Mysore State Railway, Bangalore City, on all working days between 10-30 A.M. and 4-30 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the District Engineer on payment of rupee one which will not be refunded.

4. Every tender must be accompanied by a deposit of Rs. 300 in cash as earnest money and should be superscribed "Tenders for providing an under-bridge below the Railway line at mile 8/4 near Davangere Station," in default of which tenders will be rejected.

5. The earnest money of the rejected tenders will be returned as early as possible after the tenders are disposed of and in the case of accepted tender, it would be held as a part of security under Clause 4 of the Schedule agreement referred to.

6. The final acceptance of any tender will rest with the Superintendent, Way and Works, Mysore State Railway, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender or any portion of a tender.

7. The name of the contractor whose tender has been accepted will be posted on the Notice Board in the District Engineer's Office. No enquiries regarding the acceptance or rejection of a tender will be answered.

8. Within eight days of the acceptance of the tender, the successful competitor is required to execute the usual schedule agreement, in default of which his tender will be considered as cancelled and the earnest money will be forfeited to Government.

9. Definite rates against each item of work in the schedule should be noted both in figures and in words.

10. In case the accepted tenderer quarries, ballasts, etc., from Railway, Government or Forest land for use in this work, Royalty at the rates fixed by the Government will be recovered from his bills.

11. The whole of the work specified in the agreement to be completed as specified in para 1 above, failing which or failing to carry out any of the conditions of the agreement, the whole of the money held in deposit or so much of it as the General Manager considers proper will, without prejudice to any other legal or equitable right or remedy which the General Manager may have, be absolutely forfeited to the General Manager.

12. Should any dispute arise in the interpretation of the clauses of the tender or in respect of any items of work or specification, the decision of the Superintendent, Way and Works, shall be final.

Schedule.

V. HANUMANTA RAO,
Ag. *District Engineer.*

SRI KRISHNARAJENDRA SILVER JUBILEE TECHNOLOGICAL INSTITUTE, BANGALORE.

Notification dated 19th March 1940.

APPLICATIONS ARE INVITED FOR THE FOLLOWING POSTS:

1. *Assistant Professor in Textile Testing*—(Rs. 200—25/2—300):—

The candidate should possess a degree in Physics or Textile Technology of a recognised Indian or Foreign University. He must possess practical experience of at least three years in the testing of textile fibres, yarns and fabrics, in a well equipped testing laboratory. Preference will be given to one having research and teaching experience. The candidate should not be more than 35 years of age next birthday.

2. *Lecturer in Textile Designs*—(Rs. 75—5—150) :—

The candidate should have passed—

(*a*) Intermediate in Arts or Science Examination of a recognised Indian University;

(*b*) Diploma Examination in Fine Arts of a recognised School or college of Fine Arts; and

(*c*) Should possess teaching experience in drawing and colour subjects of at least three years duration. Preference will be given to one having general knowledge of textile designing. The candidate should not be more than 35 years of age.

3. *Hosiery Demonstrator*—Rs. 75 (Fixed) :—

The candidate should have passed the S.S.L.C. or its equivalent examination and should possess a minimum of ten years' experience in the working and manipulation of hosiery machinery of various types and must be capable of independently erecting, running and manipulating various kinds of hosiery machinery. Preference will be given to one who holds a Diploma in hosiery manufacture from any of the recognised institutes and possessing teaching experience. Age of the candidate should not be more than 35 years next birthday.

4. *Jacquard Assistant*—(Rs. 40—5/2—60) :—

The candidate should be literate and should possess practical experience of at least ten years and should be able to erect, manipulate and run jaquards and to prepare harnesses for various tie ups. He must be able to manipulate both hand and power driven jaquards. Preference will be given to one possessing in addition to the above a Diploma or Certificate from a recognised textile institute in India and having teaching experience. Age of the candidate should not be more than 35 years next birthday.

5. *Printing Foreman*—(Rs. 40—5/2—60) :—

The candidate should have passed the Diploma Examination in Dyeing and Printing from a recognised technical institute in India. He must possess a minimum practical experience of at least three years in actual working in hand and power textile printing. In the case of those possessing practical experience in textile printing of over ten years, their applications will be considered even if they do not possess a Diploma in Dyeing and Printing. Age of the candidate should not be more than 35 years next birthday.

The above posts are permanent and subject to the benefit of provident fund. All questions of leave, leave allowances and travelling allowances will be governed by the Mysore Service Regulations and any other rules issued by the Government of Mysore from time to time.

The candidates applying for the above posts should be prepared to appear at their own cost before the Board of Selection if called upon to do so and the selected candidates should join the appointment at their own cost.

The selected candidates will have to undergo a Medical Examination before joining their appointment.

The applications should be in the appended form, printed copies of which may be obtained from the undersigned. The applications in duplicate should reach the undersigned on or before the 15th April 1940.

B. K. MURTHY,
Principal and Joint Secretary.
